PRESIDENTS REPORT

To start off, I think we will start at the top, the player. Juniors and seniors it has as we all know been a very successful season. T - Ball 3rd, 12's centre grand final, 14's DBA grand final, 16's to the grand final (harsh point). Womens 4th, E grade to the grand final along with D grade, B grade and A reserve. C grade ended up 6th (aaah well) and at the time of myself writing this, A grade are playing Bonbeach in the prem's and unfortunately I am not a fortune teller. So hopefully there are a few flags there. I wish I could say now, but T.C. wanted my report now not tomorrow, so I can only say, I hope you had a good one and well done on the season it was. Our thanks should go out to T.D. for club coach, he is obviously doing something right out there. Hope you do return to next years season to back it all up Tony. You can't leave the country next season because of that plane strike that is going to happen. Also thanks to Darren Smith who filled in when Tony was away.

To run a club also you need so many positions filled, I don't think people realise how many. How does 14 coaches, 2 canteen staff, 1 junior co-ordinator, 1 groundsman, 1 uniform manager, 2 bar staff, 2 cleaners, 14 committee members, 6 board of management, club coach, 3 social personnel and 14 scorers sound. That's 60 people with alot of people doing more than 2 jobs so if you feel the need to put your hand up at the AGM to do one little job, do so. I'm sure you have all seen the club rooms and surroundings slowly getting neater and new ideas up that do look good, such as a simple thing like flags. We should all hold our heads high. Especially when other clubs are even commenting on how good our facilities are.

A few important people who daily make this club tick. First the committee with all of us doing little jobs, this has helped on and off the field. It's a great committee and I hope we all stay on.

Canteen staff, Ray and Fay, they put so much work in for us players. I'm sure Ray and Fay you really know that we do appreciate you and your services. Once again we hope you are there next season.

Katrina O'Neil junior co-ordinator, a job well done but we don't have to tell her because we received letters from other clubs to say that. A job well done Mick Manning our groundsman who marked and maintained our diamonds, thanks to Mick. Also T.C. who did alot of work around the grounds, thanks guys.

To finish off well done to everyone on and off the field. It has been a great season, one of the better ones by far. It's going to be tough to back it up next season, but hey, someone has to. Hope to see you and more in the 2000 millennium year.

David Stenhouse
President 1999

CLUB COACHES REPORT

Once again the Cheltenham Baseball Club has had a successful winter season. Winning the club championship, two premierships and five out of six teams making the finals is a record many other clubs could only wish for. Congratulations to the D and E grade players on winning their grand finals and to all players on contributing to the club championship.

It was very promising this season to see so many talented junior players playing in the senior ranks. There is no doubt that there is many players who will be pushing for places in the A grade side in the next couple of seasons. It was also good to see a few players return to the club after a few seasons away from the game. I hope you all enjoyed playing again and will be back for more next year.

I would like to thank all the coaches for their hard work this season. Your hard work and dedication to the club certainly makes my job a lot easier. I would also like to thank all the players for their efforts this year. I hope you all had a great time and are just counting down the days for next season to start.

Thankyou also to the committee for your continued support of me this year and especially to Dave Stenhouse who's help and support of me and the A grade side was well above and beyond his duties as President. Dave worked his butt of for the A grade this year and his efforts are greatly appreciated by the players.

Once again I hope everybody had a good time this year, whether it has been playing, scoring, umpiring or in some other capacity around the club and hope you will all be back for more next year.

'A' GRADE REPORT

The A Grade team this season was looking to win the flag. With the acquisition of Luke Parsons from Perth, we now had a pitcher with the talent to win against any team in the competition. Defensively we are as good as anyone but our offence was our only real concern.

The season went very well with the team second place for the majority of the time. Our only hiccup was when we lost three in a row in rounds 11, 12 and 13. The team regrouped and bounced back to finish the season off very strongly with excellent wins against other final contenders. We finished the regular season in second place and were going into the finals very confident of doing well.

Unfortunately we were not able to perform as we would have liked in the first final against Frankston and were soundly beaten. Luckily finishing second gave us another chance. Our next game was the preliminary final against Bonbeach at Navy. Consistent rain and muddy conditions weren't conducive to a good game. We played fairly well in the conditions but weren't good enough on the day.

I would like to thank Darren Smith for coaching the side when I was away this season. Darren will make a very good coach in the future for the Cheltenham Baseball Club. Thanks also to all the players for their efforts this season. Maybe next year.

Special thanks to Michael Gourlay and Jill Ward-Burton who did the scoring for the team this year. Your contribution to the team is greatly appreciated.

A RESERVE REPORT

The 1999 season was a very good one for the A Reserve's. We had a few close games and played as a unit to win. The younger players in the A Reserve's are very talented and could go a long way in this sport. All of the team hit the ball at the right time when we needed it during the year.

The run into the finals was a dream, then we won the first semi, which was our ticket into the grand final. But, on the day it might have been.

My thanks to Bev Blackley for all her help and for scoring.

Well done A Reserve's. Next year number 1.

'B' GRADE REPORT

The B Grade team had another good year but we were unable to win "the big one".

Our last 3 games were against Dingley at Dingley. In the last game of the regular season we lost, in the 2nd Semi-final we won and in the Grand Final we lost. The runs for and against for those 3 games were Dingley 28 to Cheltenham 27.

I'd like to thank all the players who played B Grade this season and I hope everyone enjoyed playing this year, I know I did.

Congratulations to Steve Babidge on having a terrific year, he did the majority of the pitching and batted .474 with 47 RBI's and 8 home runs. One being in the Grand Final and twice hitting 2 in the same game, one of those games including a Grand Slam against Chelsea.

Darren Brooks won the batting average again, batting .537. Even more impressive because Darren moved to Heathcote mid May and only played against the better teams after his move.

Colin Basham .500 and Michael Roberts .483 also had excellent years with the bat and Russell Osborne just kept racking up the RBI's and batted .389.

Our regular Junior, Glenn "Colonel" Sanders played some terrific short stop and batted .351, excellent for a Junior and lead off batter. Peter Innes .368 and Robert Hosking .338 patrolled the outfield and Ernie also pitched. Trevor Clemens played an important role, playing a variety of positions and hit a home run when he came into the Semi-final against Dingley.

In closing I wish next year's B Grade Manager all the best and hopefully they will be able to win that elusive red and black flag.

'C' GRADE REPORT

Really it was a tough season for C Grade being that we are Cheltenham's 4th side playing against other sides 1st, although I thought we can hold our head up high because we did beat alot of good sides and not being rude, we didn't have alot of stars. Thanks to Lance and the boys for playing some of our tougher games and winning.

It's all about fun in C Grade and with veterans like myself, Larky, Jac's, Upfil and not to mention Alf Boy, who filled in when we were short. I hope the kids too, leant alot about baseball. We as a club shall push them as high as we and the kids would like to go. It's great to see the likes of Keen, Hearnden, Kavanagh and Sanders all playing in the high grades and next year it only gets better with Williams and Blackley who should be joining in the action. Well done to our C Grade boys.

'D' GRADE REPORT

The 1999 season for the D Grade side was initially one that we expected to be tougher than it turned out to be. After the great battles against the Dingley's and Oakleigh's last year, we were looking forward to some good tough games, after all we now had some young arms and legs with Adam and Daniel joining the team.

The season turned out to be a bit of a fizzer as our pitching and batting was way above the other competitors. Our ability to outscore opposition sides and contain their runs scored, put us at least 10 runs a better side and that was proved by the fact that we were taken to the 8th innings on only 1 occasion.

Mid season saw us change grades so we could play Oakleigh , only to beat them by well over 10 runs in the 7th. We again swapped with the C grade side to play Tyabb and beat them by 10 runs in the 8th.

The young fellas Adam and Daniel put a whole new dimension into the side. We had an infield with much better range through the short stop area and we could actually roll doubles. Adam's pitching was far to good for any of the opposition we faced and he got a couple of good scalps under his belt as there are a number of very good batters scattered throughout the lower grades.

We also saw new players Simon and Marty join the squad. Marty seemed to think the game was easy and set out to show many of us how to hit. He did that consistently and finished the season with a very credible .400 in his first season. Simon struggled in his early weeks but had no problems taking catches at left field. Simon stuck to the task and finished his season with .333 after gaining several hits each week in the later part of the season.

As usual Tom broke down in the first week but joined us for support in the final campaign. Laurie Hall continued to pull his hits from the low outside zone and tallied about 8 home runs for the season. Kevin Williams broke the longest home run drought in history when he stuck his first home run over the fence ever. The ball ended up in the kids play ground near Centre Road.

This years team even had a scorer in Jodie Williams who only missed one game and arranged a fill in the week she was unable to do the job. This was a big change from last season when the position could not be filled. Thanks Jodie a great job and much appreciated by the whole team.

Barry as usual got in on the act and umpired most of our home games, again another position filled that I didn't have to worry about. Thanks Bazza !

Our finals campaign started with a bit of a scare as we took out a very tight ball game 17-14 in the 9th against Dandenong. Dandy hit the ball well and we were saved on several

occasions by our right fielder Adam who took some great catches and a crucial double play in the 8th by Peter Burnett and Johnny Carlisle with the winning run at the plate.

The grand final was against the unexpected opponent of Mornington which made us feel a little more comfortable going into the match.

We started the game with Laurie Hall on the hill and no runs scored. Our first at bat saw lead off batter John Carlisle get a decisive 2 base hit through the cones and Daniel Williams following that up with a bomb off the first pitch he faced. Criticism was directed at the coach later in the night for putting the home run signal on with only one on base. Anyone can make a mistake. By the end of the first dig and we had 5 runs and not much pressure.

With the pressure now eased of the pitcher Laurie took control of the game with a very credible 5 innings pitched for no runs scored and the batters had chalked up 11 runs with home runs hit by Peter Burnett and Laurie Hall.

Adam closed the game on the hill with 5 K's from 7 batters faced and the rest of the team added an additional 9 runs including another home run over the right field fence by Adam Blackley.

The best part of the game was that I had about 5 game plans and only needed to use plan A. It doesn't get any better.

Final score Cheltenham 20 to Mornington 1.

Thanks players, thanks scorers, thanks umpires and supporters.

'E' GRADE REPORT

After tearing up last year, the boys were back. The same faces along with "Barn's mate" Dion. After round 1 it was decided this was the year of the spa. The poor old tomatoes came across Franko, who after a 2 year absence had 5/6 including 1 h/r and 3 triples.

This should have been on 2 but the lazy bastard wouldn't run the last base deciding to canter to 3rd and wait until the ball was retrieved from Olivers Hill. Not only this but he pitched the game giving up only 3 runs.

It didn't take long for the wheel nuts to fall off with round 2 resulting in the spa being cancelled. A loss to Ormond and Saturday arvos watching the footy looking rather appealing, but after the following 3 weeks the spa was booked along with the polly waffles.

Round 6 saw our 2nd and last loss for the season. It was about this time that Hoggy in his wisdom (drunken stupor) decided that his B grade side could and would score more runs than the finely turned E grade side. To me this sounded like a fair bet as they had 2 byes during the season to our none. I am not sure what DJ was "on" but as he had umpired us to our 2 losses, he, with no consultation from his side, thought it wise to part with a couple of slabs as Hoggy had just done. Being a team with high morals, and a 70 run lead, we took both teams up on their more than generous offers. This was to be the major turning point in our season. No more warm ups, except for the footy, and an almost, well...interest was taken in the game. Round 8 saw Murph do his rendition of "the bus stop". After falling foul the captain he decided that 4 slabs wasn't enough to go around and that he would hop on a bus never to return. We have searched bus stops from here to Boneo but to date no sight of the porno star has been seen.

Anyway yadda yadda the season went on with this well oiled team taking all before it, with the help from the wheelbarrow man, who finally put 1 over the fence for a grand slam.

At the time of writing we were patiently waiting for our 2nd grand final appearance after just getting over the line on our s/f41-8.

I would like to mention all the players in this report who have made the season most enjoyable but as they all know it has been NO BLOODY fun at all.

I would however, like to thank Stack, Chucky and Adam Flynn for helping fill some gaps we had with numbers during the season. A special thanks to our number one ticket older, Su Flanagan for her support, scoring, flying the drinking flag and most importantly her taxi skills. I am sure all the rest of the boys would also like to thank her....."all those in favour".....

WOMENS REPORT

Well, what can I say? I thought that the guys teared up a lot. And yep I was right. From winning a flag last year the pressure was always going to be on us and to the credit off all the girls, I think we performed above expectations.

It was always going to be an interesting season with a mix of both experience and new players along with a coach with no idea. The season started off promising with a few wins and a place in the top 4. The thought crossed my mind that the boys may have to share the spa. This thought may have been our down fall as I think the girls got wind of this and shut up shop for the oncoming weeks.

Finding themselves holding up the rest and facing the prospect of a huge crowd \$1000 raffle day, the girls started an amazing comeback which would see them into the finals from 2nd last with 5 games to go. I however would like to take full credit for this win over Chelsea (eventual grand finalists) as I had no input into the game at all but left full control with "the coaches pet".

As the season turned out the girls made the semi finals but bowed out in a fashion that, for the few that turned up, was not a true reflection on their performances during the year. I am sad to say as was the case most of the year, the support we received in our final was rather disappointing and with a little more encouragement on the day may have made a lot of difference.

I would like to encourage as many senior players as possible to make an effort next year to make at least 1 appearance at training and a game day to help support and nurture the women's side. As they proved this year by way of the \$1,000 raffle (over 130 tickets sold) and the cocktail night, which for those that showed their support, was a highly enjoyable night which was well organised by themselves, the women are part of this club and wish to be included and involved.

On a final note, I would like to especially thank Fiona Ballantyne who after Sue Kendrick injured a wing, pitched her heart our for most of the year, against the odds. My thanks goes to the rest of the side for an enjoyable year and putting up with myself. I have mentioned no other names individually because as we found out during the year WE are a team and as a team will only improve next year.

OOPS, a special thanks to Margaret Ballantyne for scoring all season.

JUNIOR PRESENTATION NIGHT REPORTS

***** Cheltenham B.C. ... Winter 1999 *****

President's Report

"It has been another successful year, not to mention all of our juniors: it is something to be proud of as a club. My congratulations to all coaches, parents, canteen staff (Ray & Fay) and to all our up and coming seniors. Our juniors are Cheltenham's future and strength, it is great to see so many juniors wanting and playing at senior level, gaining valuable experience at a very young age.

Special Thanks, once again, to Ray and Fay, they have done a sterling job in the canteen. It is not an easy job having to be there at 7:00am, staying through to 6:00pm that night, only to be back at it all on Sunday afternoon. "Well Done"

We cannot play if the ground aren't maintained and marked out. Well done to Mick Manning and I'm sure everyone appreciates your behind the scenes services, many thanks Mickey boy.

To a job no one puts their hand up to do, but hey, somebody has to do it. After Bev's "early" retirement last season, Katrina O'Neill did put her hand up. Did another great job, with help from her son Geoffrey. It was a tough year, with tough decisions to be made, hoping to please everyone and trying to give every child a game, after all they are our kids wanting to play baseball and I feel that is why we are here. We will try to adopt different procedures to eliminate any teething problems. We will do this at the start of the season. This will allow stability in the sides, again thanking Katrina and Geoffrey for a hard job well done, including newsletters and organising fliers as well - Good One!

The club has taken great steps forward on and off the field, this is largely due to a power house committee backing our juniors up all the way. We have made many new decisions fortunately all in the right directions. I'm sure you have all noticed improvements around the club.

I hope those of you that will continue into summer, and I hope you do, have a great season once again and participate well.

Be proud and respect our club, it is a great club with great people."

Yours in Baseball - Happy President

Junior Co-Ordinator's Report

"It has been a very interesting Winter Season."

"I would like to start my report by thanking Dave and the rest of the committee for all their help and support throughout the season. Also, a big thank you to Mick Manning for always having the grounds in perfect conditions, always ready to play on.

We started the season with 1 Tee-Ball, 2 U'12, 2 U'14 and 1 U'16 team, but due to an increase in U'14 players, we had to go to three sides. This was decided by the committee. This was done to allow every player an opportunity to play a full game.

Some parents were pleased, other's were not but as I have discovered by being Junior Co-Ordinator you can't please everybody.

All the teams went well, due to our fantastic coaches & players with U'16, U'14(1) & U'12(1) finishing the season on top of the ladder. U'14(3) & Tee-Ball finished 3rd, U'12(2) finished 4th and U'14(3) finishing 7th in the South Division. This meant we had 5 teams in the finals series.

U'16 and U'14(1) won their first final and advanced straight to the Grand Final. U'14(2) won against Ormond/Glenhuntly and then lost against Berwick finishing 3rd overall. U'12(1) lost to Dingley and due to other reasons finished 3rd overall. U'12(2) won against Berwick(1), and advanced to the grand final due to the forfeit by Chelt(1).

It was a fantastic Grand final day with U'14(1) winning against Berwick and U'12(2) winning against Dingley. But unfortunately the U'16's lost against Frankston in a controversial final. All teams whether they made the finals or not, did Cheltenham Baseball Club proud!!!

I would like to thank all the Coaches, players, scorers, umpires and parents for all their support throughout the season. Special thanks to Ray & Fay for their hard work and always putting a smile on my face. Most of all I would like to thank Robert, Geoffrey, Patrick & Timothy for putting up with all the problems, phone calls and stress connected with this job. Also a very special thank you to Geoffrey, for all his help and support with the newsletter, etc., and being Centre Manager when I was needed at the U'14 games.

Have a successful Summer season and we'll see you in Winter 2000."

Tee-Ball = "Rustlers"

Coach: Peter Innes

"Over the 1999 Tee-Ball Winter Season, the Cheltenham team won 4, lost 4. (and 1 washout). We finished 3rd overall.

I would like to thank all the parents who helped out at training and at game days.

The children played and performed at a very high standard for the whole season. All the best for the future!!!"

Under 12 = Chelt (1) = "Broncos"

Coaches: Geoff O'Neill and Peter Ravesi

"We may've finished top of the ladder, but it wasn't a smooth ride for us...

The start of the season was MAGICAL, winning our first six matches convincingly. Mainly due to the strong offensive pitching of Dane, Dale and Sean, and the solid catching of Tim and James.

Our first loss was to Berwick (1), which was by 1 run. This helped us come back strong against Oakleigh beating them by 16 runs!!! Then the bad luck came pouring down upon us.....

Dane Kasperczyk, our most experienced player, injuring himself TWICE, missing 4½ games.

We lost four of the next five games, many of them by less than three runs. We realised we had to win against Berwick (1) to make sure we made the finals and with Dane finally back the team's spirits were high. We played SUPERBLY and ended up winning by 5 runs.

With Dane back, our finals campaign was looking successful, then the downfall occurred again.... Dale (& Peter) left for Fiji so they couldn't participate in the Semi and Dane broke his wrist!!!! (How unlucky is he?)

With only 8 players for the semi, things were desperate and we ended up breaking the rules by playing an ineligible player to enable us to play with a full side. Though it didn't help anyway, we lost to Dingley by 3 runs. **Many of you know what happened next and our finals campaign finished suddenly and controversially.**

Well done to....

- Sean who hit 3 home runs (Rd.6, Rd.9 & SF).
- first yearer Jake, who hit 1 home run (Rd.11).
- Joss for trying soooooo hard to get a safe hit (but didn't).

Don't worry guys, hold your heads up. we don't need a silly medal to tell us we were the best side in the competition!!!! Good luck for the rest of your successful futures....."

Under 12 = Chelt (2) = "Cougars"

Coaches: Stuart and Judy Simpson

"We had a very good season finishing fourth, which, considering the inexperience of the team it was a great effort. The home runs were scored by Alister Smith (1) and Paul Morrison (3). Both boys are to be congratulated on their achievements.

There are always people to thank come the end of the season, and we would like to thank Keira McLean, Chris Morrison and Peter Smith for umpiring, also Helen Smith and Jenny Morrison for scoring. I as a parent have been involved in T-Ball and baseball for many years and this would have been the best group of parents I have ever had anything to do with. They gave encouragement to all the team, not just their own child or a select few and this was appreciated by all. They also were very supportive of Stuart and I, and we would like to thank them very much.

It was hoped at the beginning of the season that we could foster teamwork, sportsmanship and a sense of fair play. Every child in the team contributed something to the team, and every child in the team is a champion.

Lastly, we would like to thank Katrina, who kept the coaches informed of many events around the club, but in particular the DBA tryouts which allowed ALL children the opportunity to trial. not just a select few who had been luck enough to have been told about these."

= Under 14 = Chelt (1) =

Coaches: Colin Basham and Travis Blackley

"The Under 14 Chelt (1) side has had a terrific season. The side had a good mix of players with a range of experience. At the end of the home and away season, we had finished in top spot, with only 1 loss. (Which was a forfeit due to 5 of our players representing the DBA in Sale.)

In the first final, we played Berwick in what was a very high standard game that we eventually won 5-4. The Grand Final was also played against Berwick. In this game we batted very well to complement some superb pitching to come away with a 6-3 win. It was a very good team effort.

The season contained a number of individual highlights and performances combined with many from the team. Throughout the season it was pleasing to see the side transform from a group of kids into a team of baseball players. The improvement shown in both skill level and knowledge of the game, especially from the younger players, was evident over every game. Our pitching lead the way followed up with some strong batting performances. Everyone contributed to the success of the season.

Travis and I would like to thank the team for a very enjoyable season and all the parents that came to support and help throughout the season. A big thanks to Karen Romari for scoring & managing and to Katrina O'Neill for all her help when Karen was unavailable."

Under 14 = Chelt (2) = "Cardinals"

Coach: Mick Manning

"The Cardinals had a very successful year. We had six boys under 12 years old in our team of ten, but these players had all played four seasons of under 12 and all-star baseball.

When these players rotated back to the under 12 competition, the under 12 coach felt they played too hard and may injure some of our younger players, they therefore played in the outfield all the time. These players could not benefit from this and neither would the nine year olds who were frightened of being hurt. The seven players, one from Chelt (1), were then moved permanently back to under 14 baseball. We had one or two parents who complained bitterly to anyone who would listen that this wasn't fair to the under 14's.

The parents and players were very upset by this sniping and if it had not been for the support of Katrina and Dave the Cardinals may not have seen out the year.

On the field we continued to improve, finishing 3rd in our section. Although no player starred with the bat, the team average was .391 and our on base average was .669, as all our players looked to hit the ball these figures are very pleasing.

Our hardest pitcher still has another 8 months as an under 12, some of our other pitchers are developing and we have 3 promising pitchers in the team, all in all a good year.

Thank you to all our parents for all their work and support, and a very special thanks to Katrina and Dave."

"After starting the season in the fourth round we were already behind the 8 ball, but the kids didn't let that get in the way.

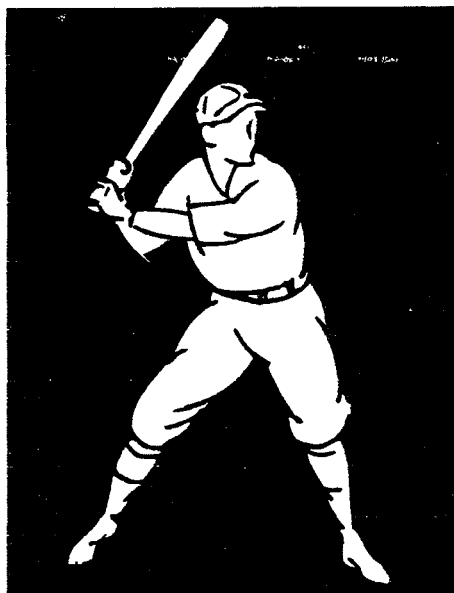

After the first few games they started to play as a team and won their first game against Frankston 20-4, with good hitting by the whole team.

Right through the season myself and the team had alot of fun playing and learning the game of baseball.

I enjoyed coaching the team and I hope that **all** the kids go on and play baseball for many more years to come..."

Under 16 = "Rustlers"

Coach: Dave Stenhouse

"To say it politely we stuffed it. Had a great season with a lot of boring games which did not help. But it still doesn't mean that we as a team couldn't get up and hit the ball. OK, the *lovely* line umpire was an absolute "Pecker Head" and should have been in the "Pee Wee" grade or lower (or not at all). It clearly was the worst umpiring I have ever seen.

I really loved coaching the kids, they have all matured so much. Hopefully we will all be in the same side next year if that under 17 side comes into play.

I as a coach, can coach to a limit, but you as boys & girls as players have to learn to use hype as an advantage and lift in important games. Watch signals, we missed far too many, after you missed them I cannot call time because even Santa will know what's on.

Good luck for those of you playing the Grand Finals in Seniors. Kick some butt to make up for the loss we had. Have a good summer and see you all in Winter.

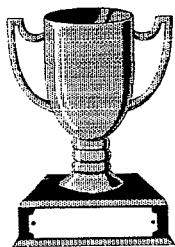

Now we know what losing means, it hurts, lets "Rack 'em and Stack 'em" next season.

Well done team for a great season."

SOCIAL CLUB REPORT

This season there wasn't a Social Club as such, but the club still ran social functions during the season.

Each function was organised by members of our club and I would like to thank them all collectively on behalf of the committee for the time and effort they put in to help run quality functions this season.

Special thanks to Fitzy who again ran the bar and helped enormously with each function.

The Greg Champion night was organised by Dave Stenhouse.

\$1000 Reverse Draw was organised by Steve Earle and "the cricketers".

Irish 70's Night was organised by Brad Lark.

Trivia Night was organised by Jenny Babidge, Peter Jacob, Robyn Hogben, Darren Brooks and myself. Special thanks to Dave Stenhouse for organising all the prizes, and I apologise for not thanking you on the night.

Cocktail Night was organised by our Women's team and their coach, Steve Earle.

Each function was enjoyed by all who attended and there was something for all our members during the season.

The only negative about the functions was that if another 20 - 30 people had attended each do then they would have been even better. So next year when the club does run functions, try and make an effort to attend, as they are being put on for your benefit and enjoyment.

Thanks again to all those who organised, helped on the night and especially those who attended and just had a good time.

Trevor Hogben

Vice President, Cheltenham Baseball Club Winter Committee.
