Presidents Report – 2010

Seniors & Juniors

Well another Winter season passes us by, this being colder than normal, good for the snow though.

I must first thank our committee, with most working overtime this year to override last years poor performance on the money ledger. It was very disappointing last year to see money go missing. The committee this year has really worked well together making the ledger a lot better than last year's performance. Trevor Clemens once again doing a outstanding job as secretary, Katrina Johnson as our new treasurer has been unbelievable and very reliable, but not only as treasurer but in all areas, hope to see Katrina once again on the committee as treasurer next year.

Stuart Holding as our BBQ extraordinaire has been an asset to our committee in all areas; our Barman Wedge Enciondo has done a great job behind the bar.

To our canteen Manager Tina Cooen for her outstanding volunteer work all season has been excepted with great appreciation from our committee and players, to those parents who helped throughout the season, our thanks also to you for being prepared to put into our club as a volunteer, although on Saturdays many more parents and family members are required to help out next year.

To our Chairman of Selectors Trevor Hogben who this year has done all the hard work on those late Thursday nights typing out and selecting of the sides.

To our Ian's – Palmer, Curnow and Brooks, you all have been fantastic for our club, we need so many more people like you who do not have to be asked and just volunteer to do any job required.

Dave Clarkson as our club coach has had a good year as the results show once again in the Seniors and our Juniors in Under 16's, who he trains on a Thursday night – Thanks once again Clarko. To all our coaches and team managers, juniors and seniors, thank-you for you efforts in running the sides.

To all our volunteers scorers, thank you for the season that has been a very cold one! Your volunteer work is much appreciated from the club.

To Mika Tossavainen as our equipment manager and Karen Tossavanien.

Sally Mason our Junior Co-Coordinator has done a tireless job, our juniors have performed very well over this year, we do have our sides in two equal sides, but we still are competitive in the grades. We had lots of our boys in overseas tournaments this year which worked against the club leading up to the finals. Our under 16's only ending up with eight players come finals time, we needed other players to step up and help out, we thank those who did at all levels.

To My Mate Steve Kavanagh, who really helped me personally out as a friend and clubman, he would help out in all areas, always being around the club, not needing to be asked to help out. There are many jobs to do around the club and I'm pretty sure club people think Casper the rustler does it all, well I'm here to tell you it's our committee and those volunteers that do it all, so next year as a clubman, spouse, parent or just a friend, if you can do just a couple of things next year that would be enough.

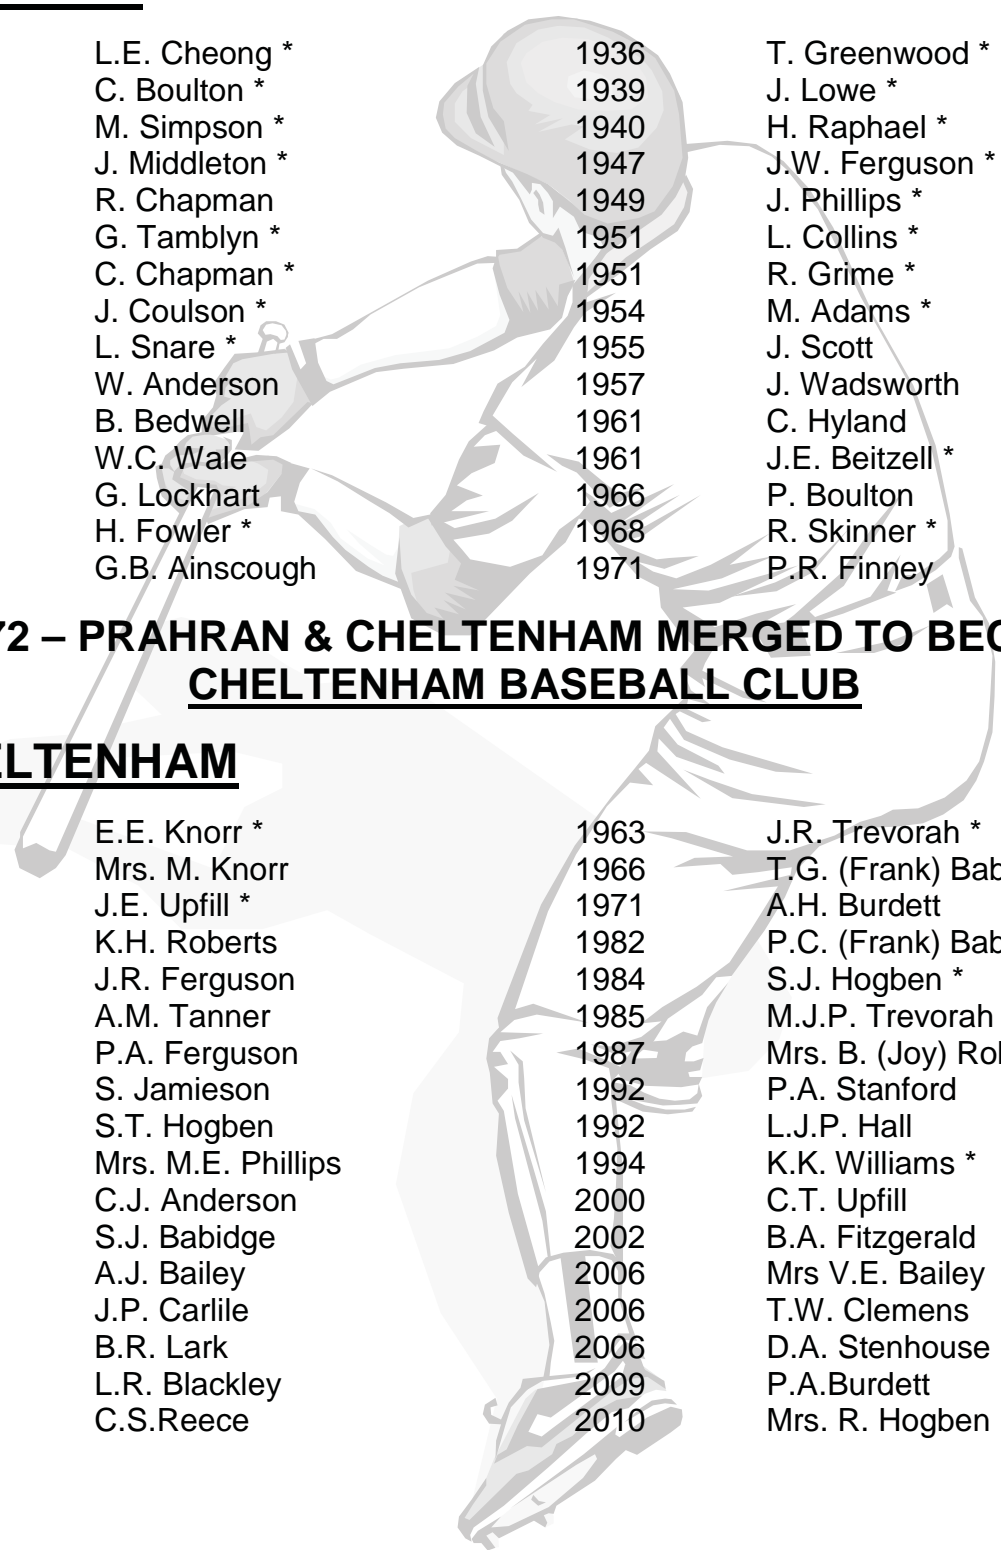

Yours in Baseball

Club Coach's Report

2010

What a fantastic Winter season for Cheltenham Baseball Club. Premierships in A1, A3 and B3 Grades. A4's were unlucky finishing runners up, losing their Grand Final on the last play of the day. Also our A2's were not to be disgraced either. Their improvement from first game to last game was the biggest improvement in the club in my eyes. To see these young men grow and develop over the entire season puts a smile on ones face. So congratulation's goes to every playing member of the club for the success that was had this year.

There are a lot of thankyou's at this time of the year. I would like to start by thanking the coaches, managers and scorers of every team. Especially the two Trevor's, Hogben and Clemens, Pat O'Neill, David Stenhouse and Brad Lark for there services in running their respective teams during this season.

I would also like to make a special mention of Trevor Hogben as Chairman of Selectors; his detail to the enth degree during selection meetings is great to watch. Ticking off names, chasing people on the phone to play, swearing at David Stenhouse for his player selection was funny to watch. Trevor, you did a great job and I look forward to seeing you in the same roll next season.

A big thankyou must go to Stuey and Pedro for their effort in cooking the barbeque and running the bar after training. It's great to see the old, and new chowing down on a burger, or sausage, after and during training. It's a great mix and these people make Cheltenham a great place to be.

Lastly - David Stenhouse. Where would Cheltenham be without this guy or his wonderful family? He is the reason why this place rocks and rolls. Without his effort, along with Pauline, Brandon and Matthew, this club would not be enjoying the success that we are today. Thank you from the bottom of my heart.

I look forward to catching up with everyone at presentation night, to let what hair I have left down, and enjoy what I believe to be a great year for Cheltenham Winter Baseball Club.

Bring on Winter DBA 2011.

Adios.

Regards,

David Clarkson

'A1' Report 2010

"Premiers"

This was going to be a different year to our last. With four players heading to the MWBL to play a better standard !!!!!, it looked as though our team would be weaker. With a couple of handy recruits in local boy Adam Blackley, Claxton Shield Pitcher of the year Matthew Blackmore, along with the return of Blake Cunningham, our team was set for the season.

Our first game against last season's grand finalist Berwick, summed up what was going to be a great season. Down by three runs going to the top of the ninth, our boys dug deep to pick up the three runs to tie the game and then another five in the tenth to eventually win the game 10-5. This showed the makings of a good team.

As the season went on, we won most of our games. We didn't thrash opposition teams but went about our business in a professional way. We clawed our way out of jail a few times by playing tough hard baseball.

Our only loss came at the hands of our nemesis team Boneo. This was turned into a positive because Boneo has always seem to beat us at least once in a season that we have gone onto win premierships in the past.

Pitching duties were handled by Blake Cunningham, with help along the way from Andrew Russell, Daryn Cassidy, Anthony Reinke and Dean Cooper who made a fantastic appearance against Dingley to strike out the side in the 8th inning and pick up the save in his first outing for A1.

Catching duties were shared by Kane Davidson and young Brett Curnow. When Kane hurt himself, due to a head first slide that went wrong, Brett stood up to do a great job behind the dish. Kane knows what is expected of him and carries his duties out to aplomb. He is even starting to get a few hits along the way so I will have to adjust my goals for him next year.

Infielders Anthony Reinke, Dylan Trevorah, Matthew Blackmore, Andrew Russell and Brett Curnow, did a fantastic job fielding everything that was hit at them.

Outfield duties were mainly done by Nick Rossell, Daryn Cassidy, Adam Blackley. Brett Curnow, Ben Leslie and Anthony Mether helped out when players were unavailable. Again everyone tracked down anything that was hit at them. Anything that was hit in the air was an out.

To all of the players who played in A Grade this year, I thank them for their time and effort in making this a fun and successful season. All of these players were keen to enjoy their baseball as well as learn on their journey this season. I look forward to watching and observing over the Summer months. Hopefully no bad habits will form.

To my scorer Meg Clarkson, thank you for your time and effort each weekend in scoring and the Sunday nights to make sure stats were delivered to my doorstep Monday afternoon.

I would also like to thank TC for his valuable assistance on the bench during game times. I don't know if he enjoys his time there with us, as I can be a little stupid some times and don't have a clue what comes out of my mouth when a game is going on. So Trevor, thank you for your time and patience.

In ending, it has been a successful season for A1. I look forward to sharing success again next season as we strive for four in a row.

David Clarkson.

'A2' Report 2010

How do you measure success?

Winning a Grand Final? Making the Finals? Seeing a young group of players improving as the season progresses?

I think success can be measured in many ways.

We started with a group of U/16 and U/18 players, added a couple of young senior players in Stu Holland for the first half and Brad Heenan and a good hitter in Mika Tossa and watched what happened.

In the end, we missed the finals by one game, having a better percentage than Bonbeach.

We had to play the 4 teams that finished above us three times and the teams below us twice.

Of the teams that finished in the four, we beat Dingley and Bonbeach and lost to Dande twice by a run.

Unfortunately for the players, between myself with work, going overseas to watch my son play and a minor indiscretion late in the year. And TC, my able assistant working a rotating shift, the players had an interrupted season, manager wise.

I think the guys had a successful season, with about half getting a run in the first's during the year.

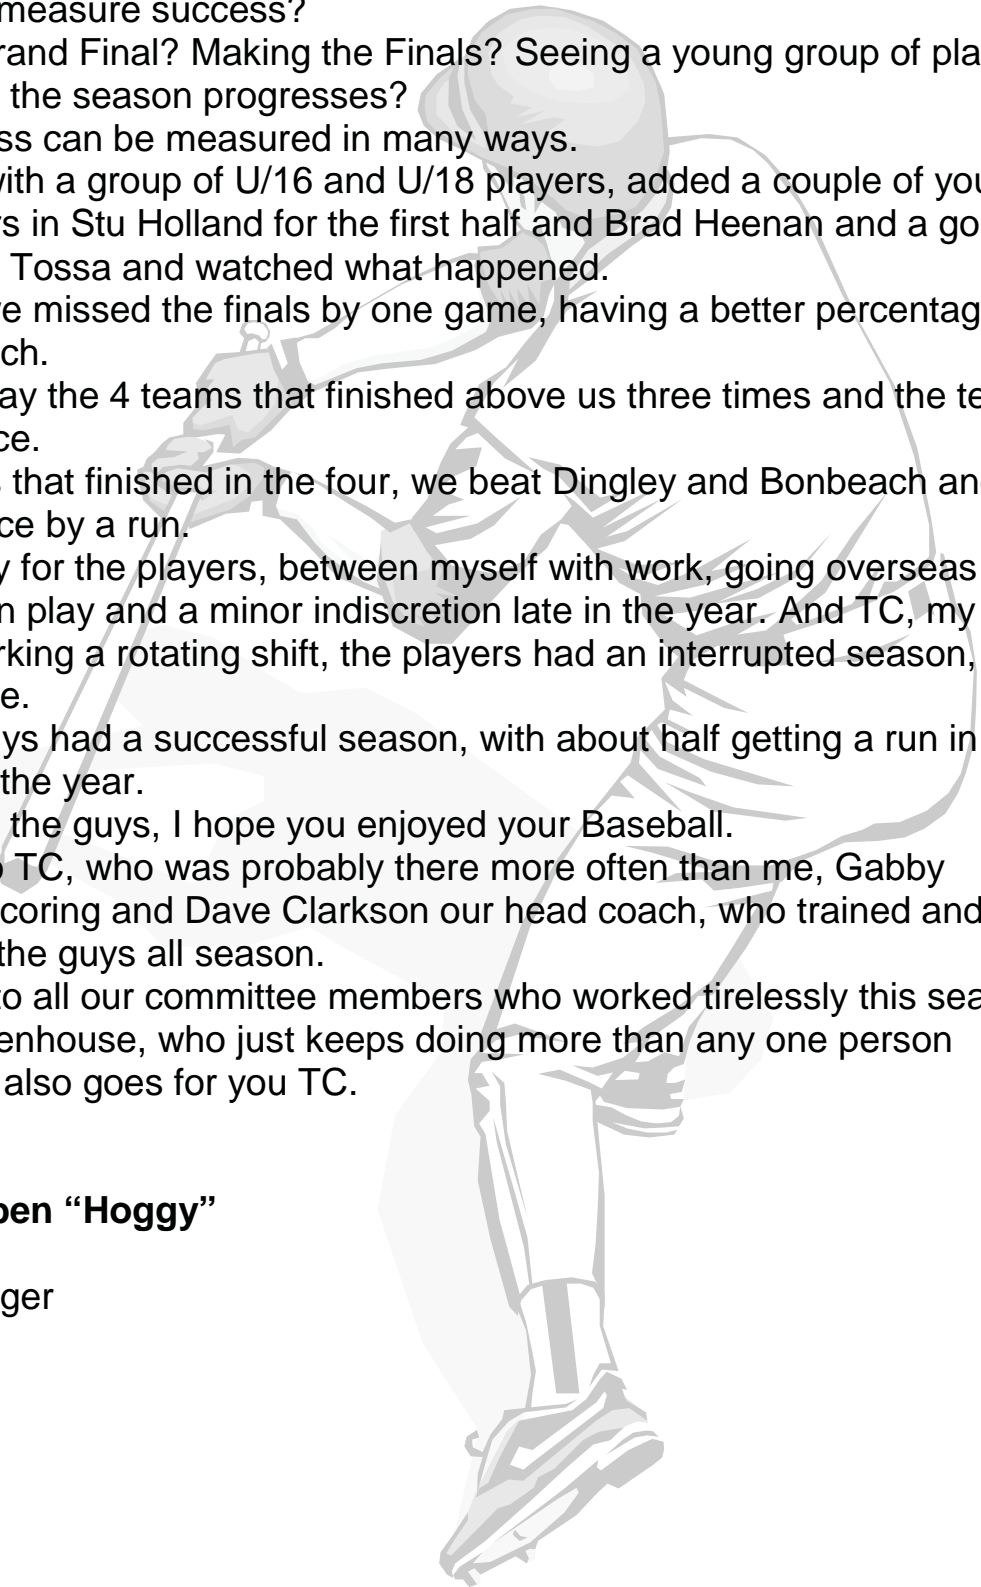

Thanks to all the guys, I hope you enjoyed your Baseball.

Thank you to TC, who was probably there more often than me, Gabby Taranto for scoring and Dave Clarkson our head coach, who trained and encouraged the guys all season.

Also thanks to all our committee members who worked tirelessly this season and Dave Stenhouse, who just keeps doing more than any one person should. That also goes for you TC.

'A3' Report 2010

Another season at the Rustlers has passed. Season 2010 was full of excitement each and every week. Whether trying to get 16 guys on to the field at the start of season or winning the grand final with the bare nine (thanks to Stenny for giving up Kav)

This year saw a few boys return from up the grades, few veterans, a new rookie and a 14 year old (Rizzi).

Most weeks we had easy wins with giving up an average of 3.5 runs to opposition and belting in an average of 11 runs. Finishing the year only losing 1 game.

There were a few memorable homeruns worth mentioning like Luke's at Frankston off O'Brien, both Bryce's and Gabb's in the GF and for those who haven't heard about it Rizzi's first on the main diamond.

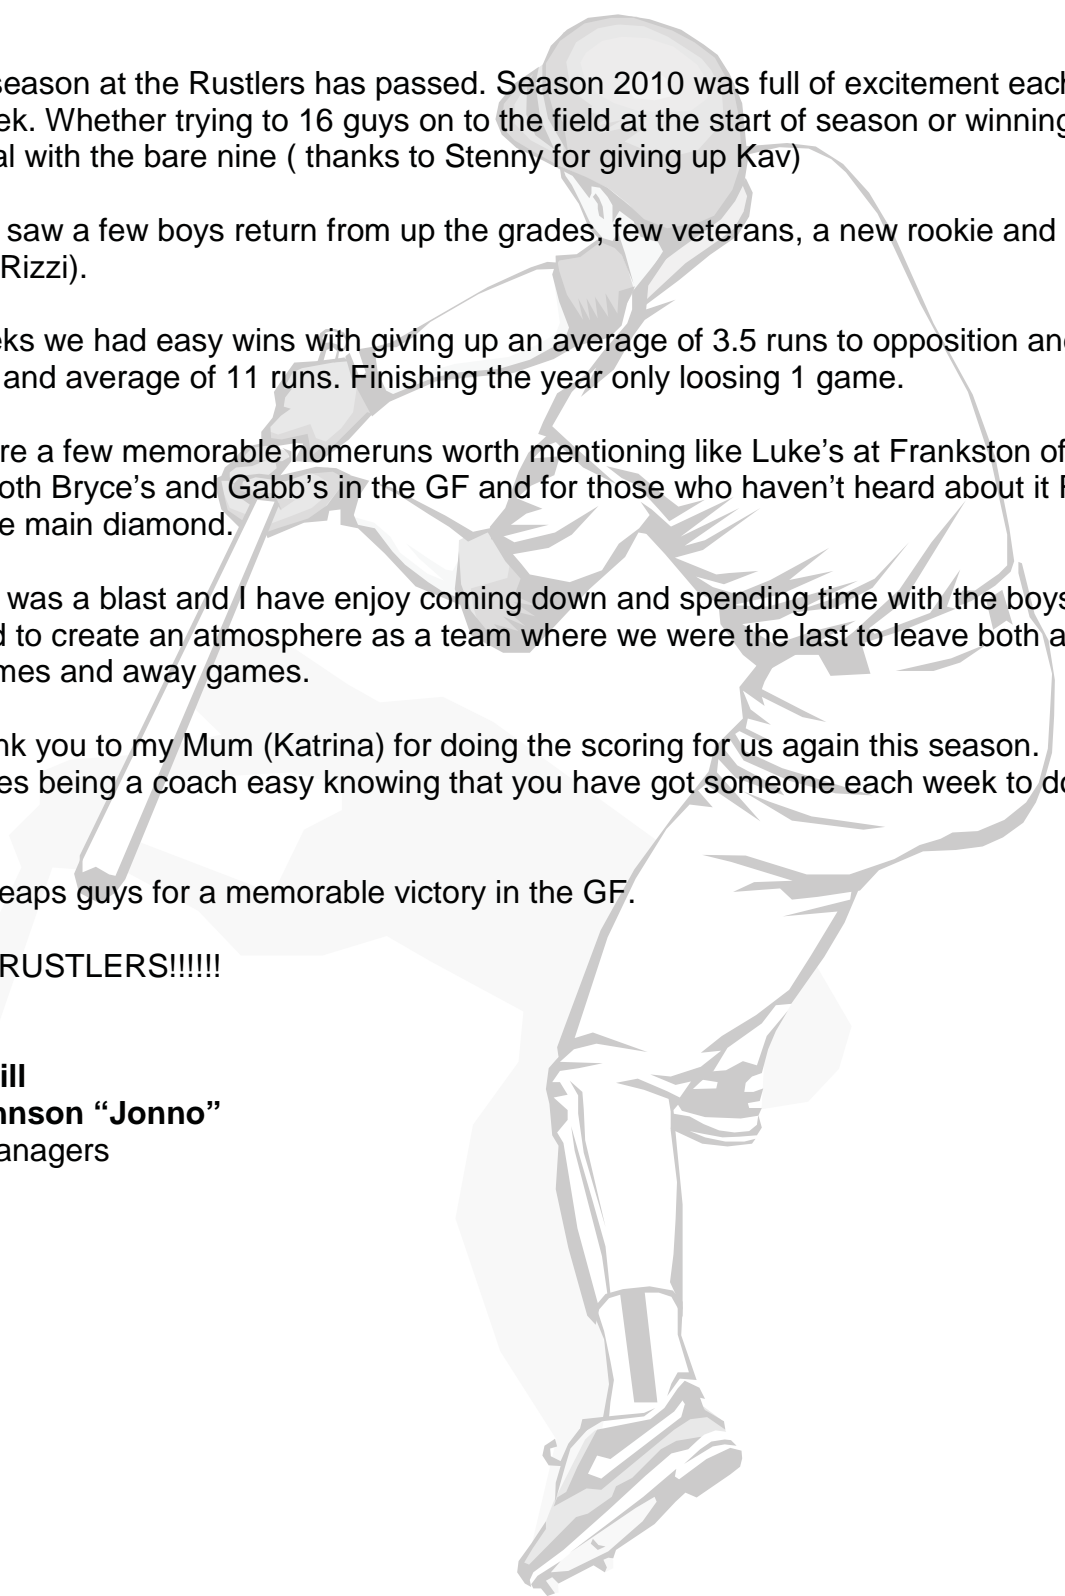

This year was a blast and I have enjoyed coming down and spending time with the boys. We have tried to create an atmosphere as a team where we were the last to leave both at home games and away games.

A big thank you to my Mum (Katrina) for doing the scoring for us again this season. This makes being a coach easy knowing that you have got someone each week to do the job.

Thanks heaps guys for a memorable victory in the GF.

'A4' Report 2010

Firstly in this report I would like to thank Tina in our canteen who did a great job for all. To our A4 players we had a fantastic season, with a mixture of the veterans and young players we finished the season second on the ladder to our rivals Dandenong, who throughout the season we would end up playing no less than five times.

Our main pitching staff Dan & Babs who really did hold other teams with the exception of Dandy to minimal runs. To Ronnie first baseman again we thank you for playing especially under the pain you play with, just means though we can't whinge about being old to you. Our fielding needed a lot of work at times (me included) and in the end would prove to be our down fall.

Towards the end of the season we had Connor Doody, Zak Palmer and Ryan Taylor come into our side and offered us fresh legs. These kids would learn a lot to playing with players like Ronnie, Babs and Wards who offered them level heads and invaluable lessons in baseball.

To our three main scorers Tracey, Neda and Pauline our thanks as a side to you all, it really was a cold season this year for scoring I'm sure.

To our club coach Dave Clarkson another sterling performance and to Hogga our Chairman of Selectors fantastic job well done.

Once again Thankyou all for a Great Season

'B3' Report 2010

After 4 rounds of the 2010 winter season Cheltenham decided to enter a 5th side in the B3 grade to give more players more game time, this was the beginning of the new franchise! Led at a board level by Joe Reilly we set about securing the players we knew would give us a chance at achieving premiership glory. Earle, Thompson, Cramp, Smith, Milsom, Lark and Reilly formed the experienced core, we then added youth, Fitzgerald (Nick of course), Rizzi, Heinrichs and Jameson. The franchise then pursued Fitzzy – Who? I hear you ask - FITZY!!! Bruce this time. The player list was complete but starting four games behind everyone else was going to make a finals appearance unlikely.

A string of early wins kept the dream alive but any slip up would prove costly. Nick and Andrew provided a great pitching and catching option and as the wins kept coming an unhealthy reliance on these two young guns was forged. Strong hitting by Leigh and Joe was a high point, Joe's reluctance to run more than a base at time a concern. Injuries later in the year to Joey would see us advise him to return to this 'one base at a time' strategy for the finals. John Thompson seemed to get more hits than the figures suggest, he was in fact our only player to bat under 300. Presented with this fact at our grand final pre game motivational talk he responded by going 3 for 5 for the day, a great effort. One can only suggest that the presence of John's wife Emma continually belittling not only John's but the entire team's performance may have had an effect! Em you are banned from all games next year. You know you'll miss it!

Stuart Jamieson started the year slowly but came good, fielding well at either 3rd base or in the outfield and becoming a consistent hitter in the middle order. The highlight of Stuart's year was the Dandenong game where he secured the hit to get us 10 runs up in diabolical weather conditions so we could all hit the bar. Leigh Heinrichs did it all in his first year of baseball, he pitched, played 3rd base and centre field and also hit the ball to all parts of the park. His in the park home run against Carrum Downs was one of the more controversial events of the season due to that fact that the ball plugged in the very very very very damp Carrum Downs outfield ensuring that their right fielder couldn't find it. Leigh completed the home run by tripping over home plate and falling face first into another very very very very damp area of the Carrum Downs ground – they are yet to locate the ball.

Steve Smith was superb in right field all year and batted beautifully. Ricky Milsom dished up the same old out of position fielding at short stop and continual safe hits. Rick's biggest moment of the year was a trip down to Boneo; we were however playing Boneo at home. I wish I had kept the phone messages I received that afternoon as Rick made his way around the wine regions of the Mornington Peninsula. I must confess that we were all a little relieved when Rick appeared at the grand final v Boneo 15 minutes before the game; this was very early for Rick.

Steve Cramp's season went much like this – he played, hit home runs, pitched then broke down. Steve Cramp's grand final was similar; he played, hit a home run, pitched and then broke down. Nice season mate. Nick Fitzgerald pitched a heap for us this year and did well. His batting was up and down, the Mornington game a particular low, I won't go into details. Like all good players his best game was the one that mattered, the grand final! He pitched like a champ and batted 1000! It was a fine effort all season from Nick considering that he came to games straight after playing footy!

Joey provided his usual short but vast target on first base and batted a treat, well done. Steve Earle did his usual job of catching when Rizzi was away, getting some hits, organising players when we were short and generally supporting the franchise at every level. His help along with his wife Sue's was very much appreciated. Andrew Rizzi was another player who would come to the game straight after player footy did and outstanding job behind the dish all year. His base running and hitting was too much for most opposition sides. Andrew is naturally competitive, which is great and his contribution this season was one of the key reasons we did so well.

So I its' inaugural year the franchise goes through the season undefeated and wins the flag, which no matter what grade you play in is a great achievement. The reason this side was entered was to give Cheltenham players the opportunity to play ball. The committee is to be commended for taking a chance on putting in the extra side. To all players who have contributed to our success this year I give a heartfelt thanks. I hope everybody had a great time, a few laughs and not to mention enjoyed the post game analysis over a few beers. To Janine Rizzi on behalf of our team I thank you for your support as our scorer. The commitment that you have shown to this club over many years is superb.

One final note, the franchise will be participating actively during the trade period. Rusty and Pugs are on the radar! The franchise will leave no stone unturned to ensure its' prolonged success in the DBA.

Cheers

JUNIOR CO-ORDINATORS

REPORT 2010

Well another season over and I hope all who participated this year enjoyed their time at the club.

From my perspective, the season ran quite smoothly, due mostly to the wonderful support I had again from our fantastic President, Dave Stenhouse and a great committee.

Results from the six teams were good, with three out of the six making finals and U16 Blue making the grand final to then be defeated by a stronger team from Berwick. Sometimes I think we focus too much on results and forget that the kids just want to be out there playing as much as they possibly can.

A lot of hard work goes on behind the scenes to run the winter baseball season and I particularly want to thank the six coaches who gave up so much of their time on training nights and game days for the kids. Also the scorers – we all know how difficult this is and, during the winter season, not always comfortable! Thanks to my six team managers this year – I really appreciate your help keeping the coaches on track! To Tina Cooen – I can't believe the effort you put in for the canteen, coming down so early each Saturday to take the deliveries and set the canteen up for our volunteers. Thanks also to Gabriela Taranto who ran the uniform shop all season and what about Stuart Holding who did a magnificent job feeding the hungry masses after training every Thursday night!

Thanks to all those who did canteen duty this year – I know we'd all rather watch our kids play but if everybody volunteers it should not even be a whole game over the entire winter season.

Lastly, I'd like to thank Dave and Pauline Stenhouse so much for everything they do around the club. I don't know what Cheltenham Baseball Club would do without them!

U'16' White Report 2010

The Under 16 Cheltenham Baseball team finished the regular season in 6th place with 4 wins and 7 losses. The team started the season slow with 2 consecutive losses but rebounded quickly to record an impressive win against Mornington by the score of 16-3. After a disappointing loss to Carrum Downs before securing a win against Dandenong, we only managed to win 2 more games for the rest of the season.

Koki pitched well throughout the season with quality relief help from Sam, Lachlan and Josh and some offensive punch from James, Sam, Josh, Ryan and Andrew.

Jack, Tim, Ryan and Andrew all improved at different stages during the season and further work with fielding and hitting will make them a stand-out player.

All the players improved as the season progressed and played to the best of their ability all season and ended the season with a win against Mornington by the score of 12-2.

I would like to thank all the parents for getting their child to training and to all the games and all the players who helped with the setup on training nights and game days. Congratulations to all the players for their domestic and overseas selection and competition. Your talents have been well noted and hopefully you have received praise for your efforts.

A special thank you to Phil De Rose, the Team Manager, who assisted me at training and doubled as an umpire for a few games. Thank you to Laurie Curry for spending a lot of time behind the mound umpiring as well, when we did not have an umpire to start the games.

U'16' Blue Report 2010

Well what a season these guys had. A first time coach and the majority of the team still young enough to be playing in the U14's, not sure what was expected from us but I'm sure that we well and truly surpassed my expectations.

The boys had a great start to the season and with the coach away for 3 of the first 4 games the boys played great baseball, except for one game where I was actually in attendance and we got thoroughly beaten by the eventual premiers Berwick – who we actually beat in the last game of the season in what was a great game of baseball.

The boys ended up only losing 2 games for the regular season and funnily enough only ended up in 3rd place on the ladder, 1st and 2nd only had 1 loss each. But the boys taking great confidence from there last round win of Berwick dominated both Dandenong in the first week of the finals and Dingley the following week to make it to the Grand Final.

The boys whilst trying there hardest couldn't bring home the big one, but should be proud that they were up there with the best for the year, and take solace that they will win the next couple of premierships if they can stick together and I look forward to seeing this happen.

A big thanks must go to all of the parents who made this season so easy for me to coach, to Chris Love for being the team manager and organizing for us all to get to the right grounds every week, and the biggest thanks of all to Gabi Taranto and Pauline Stenhouse for scoring it really made my life so easy.

Thanks again for a great season guys and I look forward to hopefully coaching you all again next season.

U'14' White Report 2010

Firstly I would like to thank all the parents for their help this season, there have been a number of parents that have helped me and the team out throughout the season. Stell and Robyne were fantastic helping me organise training, coaching on game days where I was stuck working and scoring as well as doing anything that they could do to make my life easier. I'd also like to thank Graham for his umpiring throughout the season and still to date has never made the wrong call (just ask him!!).

This was my first year coaching boys of this age group and was unsure at first what to teach them and how much about the game they actually knew. The boys knew a lot more than I anticipated. They were a strong team and when they played together as a team no team could beat them! Behind the pitching of Max Barrett, Sam Michael or Michael Leslie there was a strong infield and outfield which consisted of Michael Natoli, Jak Cummings, Mathew McKenna, Declan Chittenden, Logan Tiki - Jones, Jesse Doree and Connor O Neil. Their batting abilities were not even close to what I expected from my time in U14's each player had the ability to hit the ball hard and consistently, put bunts down when required, some of the boys even learnt to do a running bunt which is an unknown play for many U14's.

The Team went well throughout the season won most of their games and lost a couple when it just wasn't our day, we finished fourth at the end of the season after some great games and a bit of luck. The boys lost their semi final sadly after a great game against Dandenong to finish fourth at the end of the season. This team has a lot of talent throughout it and each of the boys showed improvement throughout the season some showed lots of improvement, especially my catchers. The bats went from OK, to hitting everything that was thrown at them by the end of the season and to the boys I say keep working hard at training because there is a lot of talent there and all you need to do is try, work hard and enjoy your playing time.

It was a pleasure coaching you guys and if any of you need any help, feel free to come and ask me when you see me round the club - I'm always happy to help!!

U'14' Blue Report 2010

Another year has come and gone, this one was interesting. We started with seven guys coming up from Under 12's and three existing Under 14's.

After winning seven out of the first nine games we were sitting second on the ladder and then Baseball Victoria and St Bedes got in the way.

Jack Enciondo and Darcy Bowley were selected to represent Victoria in San Francisco while Alex Warren was selected to represent Victoria in Japan. Congratulations to all of you. St Bedes then had exams for boys going there next year, which meant we had five players out on one week. We managed to recruit some Under 12's but couldn't put another win together. Unfortunately we finished 5th on percentage and just missed out on making the finals.

All in all the team performed above expectations and should be proud of their achievements.

Lucas. One of The Three Musketeers, Lucas progressed well. He always gave 100% at training and during the game and his baseball improved considerably over the season. Well done Lucas.

Alex. The second of the Three Musketeers, Alex also seemed to enjoy his training (except for the running) and playing games. Always smiling, Alex played the majority of his games in the infield and he also improved over the season especially with his fielding. Well done Alex.

Andy. The third of the Musketeers, the quiet one of the bunch. Andy started playing second base and a little bit of outfield. He was then brought in to catch and that is where he finished. Andy improved considerably, especially his hitting finishing the year with an average of 500. Well done Andy.

Henry. Henry had a good season but I know I have not seen what he is capable of. After starting in the outfield Henry then played most of the season at third base. Enjoy your baseball, don't put too much pressure on yourself and anything is possible. Well done Henry.

Ben. Ben showed improvement throughout the season and always made trainings and game days interesting with his thoughts on how to do things. Keep on trying, never give up and don't say can't. Well done Ben.

Daniel. Daniel was one of the quiet guys in the team. Daniel improved steadily over the season and was always willing to play wherever he was asked. A good team player, good work Daniel.

Max. Max was by far the quietest guy in the team, never saying much but always smiling except for when he had sleep overs. A little bit grumpy on those mornings. Max tried hard and progressed well. Well done Max.

Darcy. By far his best season. A great year with the bat, pitched well when given the chance. Improvements all round. Well done Darcy.

Jack. Jack can play all positions, hits the ball extremely well and does the job on the mound when given the opportunity. Jack had a real solid season defensively and offensively just missing out on hitting a cycle in one game. Great job Jack.

Tim. The senior of the bunch, Tim always gave it his best. 100% at training and during games I could not ask any more from Tim. Well done Tim

I would like to thank all the parents who helped through out the season - Phil for umpiring, Terri for scoring and umpiring, Pedro for scoring when available, Peter for assisting during games and Rod for looking after the team while I was away.

I would also like to thank the players from other age groups who helped us out when we were short and also the Committee for the work they put in through out the year.

Looking forward to next year.

U'12' White Report 2010

The seasons seem to get shorter and colder, this being no exception. Especially now that we don't have a premiership flag to keep us warm.

We started the season thinking we would be competitive but were pleasantly surprised when we managed to end up on top of the ladder after the home and away season. Which was a great result considering the team was made up of a lot of first timers up from T-Ball.

Our experienced kids were terrific in carrying much of the load and were able to keep us on the winning side of the ledger and it wasn't until the very last game of the season that we suffered a defeat. Unfortunately for us, this was the beginning of a streak of losses that saw us bow out of the finals in straight sets. No shame in that however as both games were cracking affairs and highly competitive. First against Berwick going into extra innings and then against Dandenong where a highly contentious umpiring decision (what is it with us and crap umpiring in finals?) that halted us when we were within a run late.

My thanks goes out to all the parents, who were great this year helping out in all areas. Jonny D and Skeeter for their help setting up the grounds, John, Nicole, Fiona, Graham and Marianna, Mary & Michael all for their help in the canteen. Also Nicole, Fiona, Frank & Gabbi for scoring. This type of help was much appreciated as this allows Myself and Dan to give more time to the kids. Hopefully this time was productive and the boys learnt plenty and had a great experience.

I like to take this opportunity on behalf of Dan & I to thank everyone involved for a great season.

U'12' Blue Report 2010

The Under 12 Blue team fell short this year, our player base was too large for individual players to get enough baseball to make a marked improvement, and although our team had good depth we were unable to test the depth of our opponents within the confines of a one and a half hour game. Our team:

Angus Octigan has put in another solid season, he consistently fields at a very high level and swings the bat hard. Angus is a key member of the squad and has a great future.

Bryce Peterson shouldered much of the pitching responsibilities and his early performances were terrific. Bryce needs to consolidate now and achieve the consistency required to go to the next level.

Elliott Higgins is one of the younger members of the team, and played with great enthusiasm, Elliott has good basic skills and I look forward to his development.

Gianni Caruso became a significant contributor to the team with strong defence, a couple of excellent outings as pitcher and a memorable batting performance against Boneo.

Jackson Fear-Kienast had a wonderful season, competitive in the batting box and developing solid tools in defence Jackson also has a great work ethic, he has been one of the brightest stars of the team.

Jake Pocock is another outstanding talent, he was the clear winner of the batting title and his consistent often super defence kept the team in many games. Jake is a future star.

Kaleb Wilmhurst has only to wait for his confidence to collide with his potential, Kaleb has good athletic ability and has produced some fine performances for the team this season.

Lloyd Coombs playing his first season showed outstanding promise, we need to pry Lloyd away from cricket this summer and find out how far this talented young man can go.

Luke Te Moni is one of the hardest workers in the team, when Luke settles into his body a little more, and his confidence grows I am sure he will become the fine athlete which his attitude deserves.

Matthew Holland is on the verge of something special, Matthew held down second base this season and came up time and again with great plays under pressure, and he also was our lead off hitter for the season. A guy who rises to the occasion.

Max Thompson was the team's starting pitcher and showed he has what it takes to make the grade, Max needs only a little more experience and refinement to take a giant leap forward, he was also one of the solid contributors with the bat.

Peter Vacouftsis just needs to realize that he has a good deal of talent lurking within his frame, we occasionally glimpsed what this young man was capable of, so Peter remember: to be is to do.

Tom Keating is another promising ball player, he has a positive attitude to his game and I hope to see him continuing after a slightly disjointed season.

Zac Allas had a wonderful year, a dangerous hitter and holding down the difficult position of catcher for much of the season. If Zac continues to work hard he is going to be a top level baseballer.

My many thanks to Karen Peterson as team manager and assistant coach, David Holland for his fantastic scoring and stats reports, James for his help at training, John DeGregorio umpiring and to all the players and parents for their unflagging enthusiasm during the season.

Thanks Connie for letting me come out to play.
