Presidents Report

Seniors & Juniors

Well another season has come and gone and three years as president has flown by. This season started off with a weird feeling around the club with our always dominate A grade team losing the first 5 games and sitting stone cold last holding up the ladder of some quality teams. But to Clarko and his team's effort it will go down in folklore now after taking out the 2015 A grade flag. Also at the bottom end of our club we took out the U13 Premiership with a win over Boneo congratulations to Sam, Val and the team.

This season we took a face lift and after 15 years a whole club vote was taken and we voted in a new look bull to move our logo into the 21st century. With new warm-up shirts, hoodies, key rings, stickers, stubby holders and flags the logo looks great and represents our club proudly.

A special thanks has to go out to our junior and senior coaches these position are all volunteer and the dedication that you put into your teams showed all season long. Also a thank you to all our scorers throughout the club it is a thankless job but the game can't be played if you aren't sitting there keeping track.

This year we had a few different social nights and once again they weren't supported as well as we would have liked. But in saying that everyone who came to the nights totally enjoyed themselves. Just need more numbers. Please support your club.

I would like to thank all my committee members you all help out and donated your time so that this great club can keep running in years to come.

A special mention has to go out to TC most people wouldn't have known but it was his 20th year as secretary which isn't an easy job. So thank you so much for your time and effort over that time. We are hoping for many more years of service.(editor's note – maybe!!)

A huge thank you has to be said to Mum (Katrina) for running and stocking the canteen this is a thankless job that takes up hours each week so that we have the best stock canteen in the DBA. I would also like to thank all the helpers this year as it has made her job just that little bit easier each week.

All committee position become vacant at the AGM so if you feel like you can help out or bring some new ideas to the committee please come on board and help steer this great club into the future.

Lastly thank you to my amazing girlfriend Jemma who puts up with nonstop baseball talk along with numerous phone calls, emails and meetings. Without your support it would be even tougher.

Until 2016 behave, be nice to your mother and enjoy the warmer months as winter will be back on your door steps before you even realize it.

Go the mighty RUSTLERS.

Yours in Baseball

Pat O'Neill - President 2015

Club Coach's Report

It never gets any easier coaching at Cheltenham. We are always the hunted, but I do like being in this situation.

I always look forward to those cold, Winter Thursday night training sessions, as there is always willing participants wanting to learn about this great game of baseball.

The club this year introduced junior players training with our senior players once a month. Senior players trained alongside the next generation Cheltenham players on these nights, plus also gave instruction on how to play their specific position. I think this was a great success and I look forward to keeping this going again next year.

Our A1's had an overall tough season but managed to take out another premiership, even after starting the season 0 and 5. This team showed a lot of character for the way we covered players who were unavailable and also for the way they fought out every game to the end.

One of the most pleasing aspects this season for me was the A2's. This team, made up of young, and I mean young players, went on to record some fantastic wins eventually getting pipped in the preliminary final 2-1. Along the way they chalked up some great wins, especially the win against eventual premiers Frankston. John Carlile did an outstanding job moulding them into a very competitive side by seasons end. Congratulations and a big thank you goes to John for taking on this role. To see these players develop from the first game to the last was one of the biggest pluses for the club this winter.

Our B1's struggled all year for numbers and I believe that the DBA has to look at this area next season as we cannot expect to compete when our third best team has to play against some clubs best team. I must also thank Ron Carothers for looking after this side during the season.

The B2's played off in the grand final but unfortunately, no cigar. Having watched these guys play both the semi and preliminary final, they very much enjoy their two hours of baseball having lots of fun. To Pat O'Neill and David Stenhouse, I thank you for looking after this team as well as trying to make the B1's more competitive by rotating players through that team during the course of the season.

Our C2's played finals reaching the preliminary final but were unfortunate not to make it to the big dance. I didn't get to see these guys and gal play at all this season, but from all reports, they had fun. To Mark Campbell, thank you for your commitment in running this team this season.

I must also thank Mark Campbell again for his role as Chairman of Selectors. Mark was asked to do this job after the first week of the season and it definitely made my life a lot easier around the selection table. Mark also had the best and worst case scenarios for every team on his computer as we neared finals time. I hope you are around next year Mark because I will be running your way for help come March.

To Antony Harrowell, who opened the bar on training nights, as well as Nicole Crocker and Katrina Johnson for their delicious meals after training, I can't thank you enough for your time that you put into the club.

Lastly I would like to thank Pat O'Neill and his board for allowing to coach this great club with no interference at all.

It has been a great year and hope everyone enjoyed it as much as I did.

Regards,

David Clarkson

'A1' Report

Premiers

Wow, what a year from the A1's this year!!!!!!!

After getting off to a slow start, 0 and 5, I was wondering if I would end up like Micky Malthouse with an axe swinging above my head. I saw no urgency as we had talent and Carlton didn't. We had played some pretty good baseball but the baseball gods did not shine on us in those early games of the season.

Thank god we played Boneo and Pakenham on a double header weekend. This really kick started our season as the boys gained a little confidence that was missing and from that weekend on we went on to win every game, bar one, on the way to winning another A1 premiership.

I have to say in my time as the boss of Winter at Cheltenham, this would have to be one of the toughest and most rewarding seasons on the way to another premiership.

Over the season we had to deal with the occasional player taking time off which then culminated in 4 players going onto the MLB Academy on the Gold Coast and also earning selection in the Australian Youth Team to tour Japan.

Somehow, and I mean somehow, we managed to plug gaps. Yes we had players like Adam Blackley, Matthew Blackmore, Andrew Russell, Paul Rutgers, Blake Cunningham and Kane Davidson to try and get us enough wins to make finals but it was the next generation players that stepped up when needed in Sam Trend-Beacom, Matthew Stenhouse, Koji Campitelli, Jack Daniels and Jack Ogilvie. All helped along the way to achieving our first goal of making finals.

To Mitch Holding, Max Barrett, Jack Enciondo and George Callil, I congratulate them on their seasons. When you mix in their Centre of Excellence training mid week at Altona, as well as their Cheltenham commitments and then they go on to represent their Country, I thank them for going above and beyond and wish them well in what future path they take in their baseball careers. Also not to forget Sam Trend-Beacom, who found himself selected in the Victorian U 25 team that just recently competed in Cairns as a 17 year old?

To the parents of all these young players at Cheltenham, I would like to take this time to thank you for your support in getting them to both trainings and games over this Winter season.

I have spoken with most of the veteran players and they have all stated this was the most rewarding season they have been involved with at Cheltenham. The way we fought to stay in games and then produce to pull off some of the victories during the year all put a smile on their faces.

C.B.C Winter Season 2015

When you look at the way we came back and won the semi final game against Dandenong, this was the never give up attitude that we employed from time we were 0 and 5. It summed up our season. As Scoop has reported, it was the "Comeback Season".

I reflect back over the year and say, this was, and I mean, this was the toughest and best season in my tenure as head coach of the Cheltenham Baseball Club.

To all of the players that played under me this year, I cannot thank you enough. I wish you all well in the future and look forward to crossing paths with you knowing that we achieved something very special this year.

I also must take this time to thank our lovely scorer Robyn Hogben for scoring this year. There was never a problem for Robyn, even turning up to score after her husband Trevor had suffered a heart attack. Now that is commitment!!!!!! A big Kiss goes out to you Robyn, X.

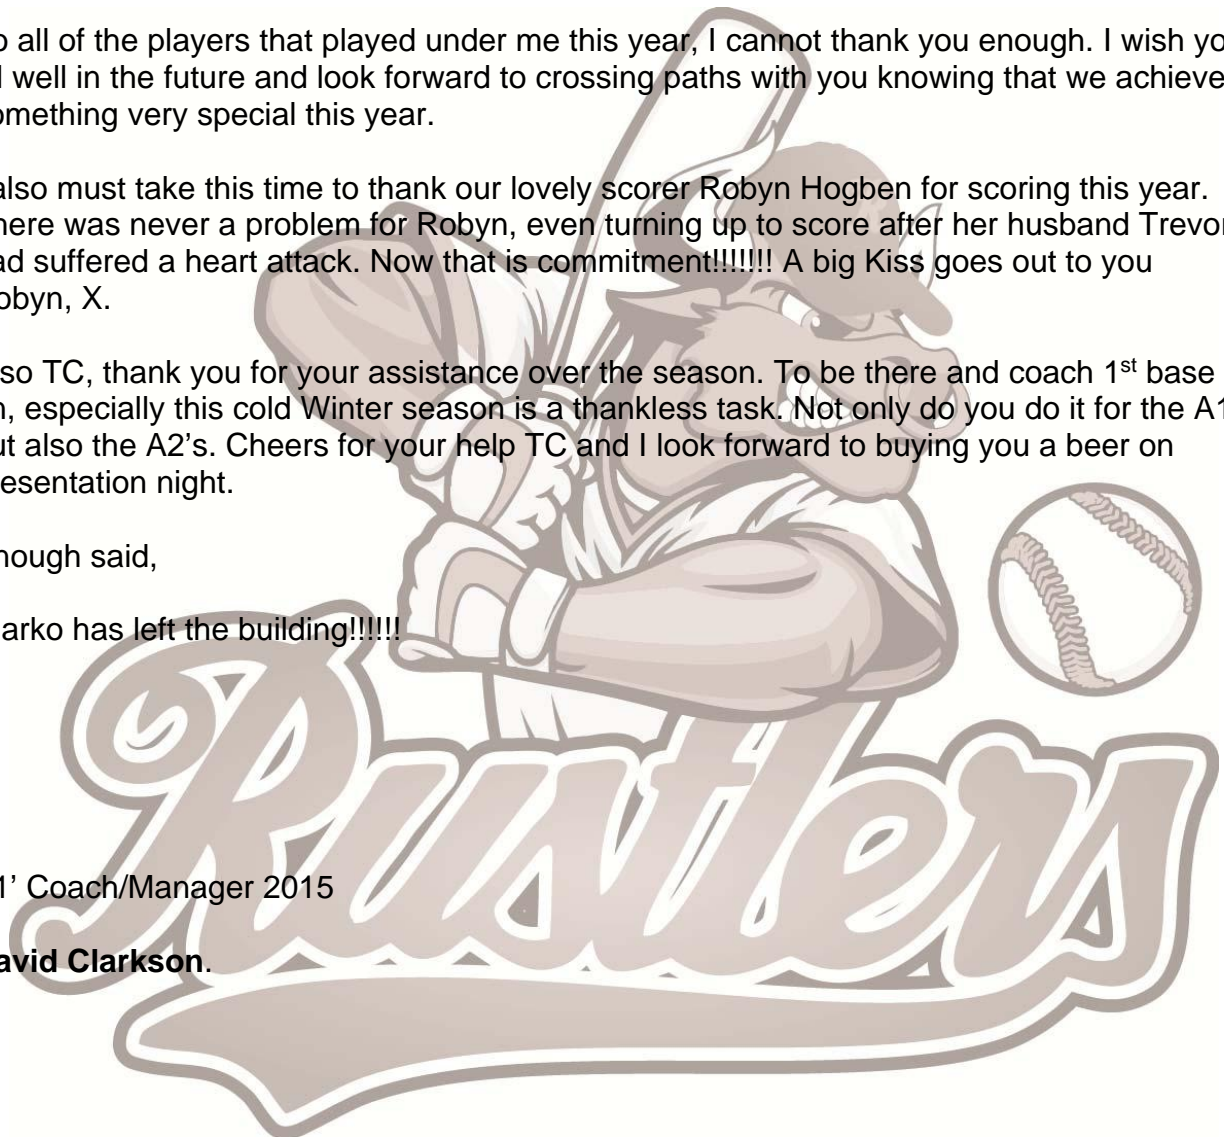

Also TC, thank you for your assistance over the season. To be there and coach 1st base on, especially this cold Winter season is a thankless task. Not only do you do it for the A1's but also the A2's. Cheers for your help TC and I look forward to buying you a beer on presentation night.

Enough said,

Clarko has left the building!!!!!!

Any names or events in the following notes are not factual and all character's (players) are fictional.

The dilemma of the two's

Who to coach? Looking for someone who will not upset the 1's, won't cause any player issues, won't stuff games and won't grind pitchers to the point of breakdown. (Editor's note JC came to mind instantly)

So during the year the coach has to take the 1's players who are a bit out of form, bring them back to form and hand them back to the 1's not broken or disillusioned with the game, but will immediately take their game to another level (Koji, Max, Jack E, Matt C, Brett). This is the teaser to the 2nds coach – you can have them but I want them back!

Then there are the talented and fragile young lefties (Matty and Lucas) who have heavy workloads playing juniors and seniors but are more than capable of limiting opposition teams to a minimum and batting in the winning runs.

Then we have the reborn player (Jack O) comes back to play with his little brother but with a little bit of form and one promotion decides it is his time and proceeds to make an impression all the way to the 1's.

Then we have the catchers, young men (Jack D & Declan) who need to learn how to work with their pitchers.

Then we have the older type who is new to the game and gets his chance (Buzz), he earns his spot by putting up impressive numbers in the batting box but continually finds ways to cause the coach to lose more hair. I have heard the word "coach killer" mentioned at various times but with a nick name of Buzz what can you do?

Then we have the just out of juniors (Connor) and the old hand (Michael R), who have learnt to play multiple positions, play the game hard, lead the team and just play where the coach puts them – these are the coaches favourites.

Then we have the up and comers (Ricky, Michael M, Cruize L, Kossie, Jack C), young and game, overpowered at times but always coming back to learn more.

And then we have had the cameo performances to make up the numbers during the year (Dave C, Ronnie, Antony H, new life member David J) – thanks for the help and the memories guys!!!

Having won a close final 4 to 3 and lost the Prelim 1 to 2, the players should now be aware that they can play the game, they are competitive and as a team they can perform.

To the people who have enabled me to help out this Winter and the ones who have helped the team out:

The family for letting me do it and Jenny for taking the phone call from TC when I was running the other way.

Peter Leslie for scoring every week – huge effort.

Tony Preston – helping out when Peter was unavailable and those match reports – takes a lot of effort – thank you.

TC – how the hell did it come to pass that we booked to go to the same country for holiday in Winter, stay at either the same hotel or within 100m and still have time to help me out with coaching the 2's????

Canteen helpers and cup of tea makers thank you.

C.B.C Winter Season 2015

'B1' Report

The B1's had a rough year to say the least. Every week we put up a brave fight and came up short most of the time but the effort was there. With a young group of guys battling up against team's first team, we found the mountain too big to climb most weeks. The determination was incredible to battle for 7 to 9 innings every week, but a great lesson was learnt and we will become better players from it. Sometimes, winning doesn't matter but how we apply ourselves. Lessons learnt when the going is tough are sometimes great lessons in life.

We had a few different young players pitch for us this year with this being their first chance to pitch in senior games. They definitely didn't look out of place and battled hard against some quality opposition hitters.

The outlook is very promising with a good stable of young players coming through to compete for the highest level they can play on their way to playing senior baseball at Cheltenham.

I would like to thank Nicole and Mrs. McKenna for scoring for us this year.

And to our young guns Declan Croker, Luke Ashen, Matt Holland, Cruz Leech and Shelby McKeown and Michael Moore, the future is very bright for you guys with further development you are part of the next wave to compete at the senior level at Cheltenham.

Bring on season 2016 where we will be another year older, wiser and stronger.

Grand Finalists

The B2s this year had a very different look about them for other years. A phrase coined early at the selection table was this side in the past has been "**the Blockage**". But not this year we had 33 guys playing in the team throughout the season. But even with all these player changes we still managed to finish the regular season in 2nd spot and worked our way back into the grand final in a replay against Dandy that has now being fought out for over 6 seasons in this grade.

Unfortunately we saved our 2nd worst fielding day of the season for the grand finale. Ending up losing by 4 runs in the big dance. For you playing at home the worst fielding day was in the smashing we received from Mornington where for the first ever as a coach we lost by 15 or more runs in 5 innings.

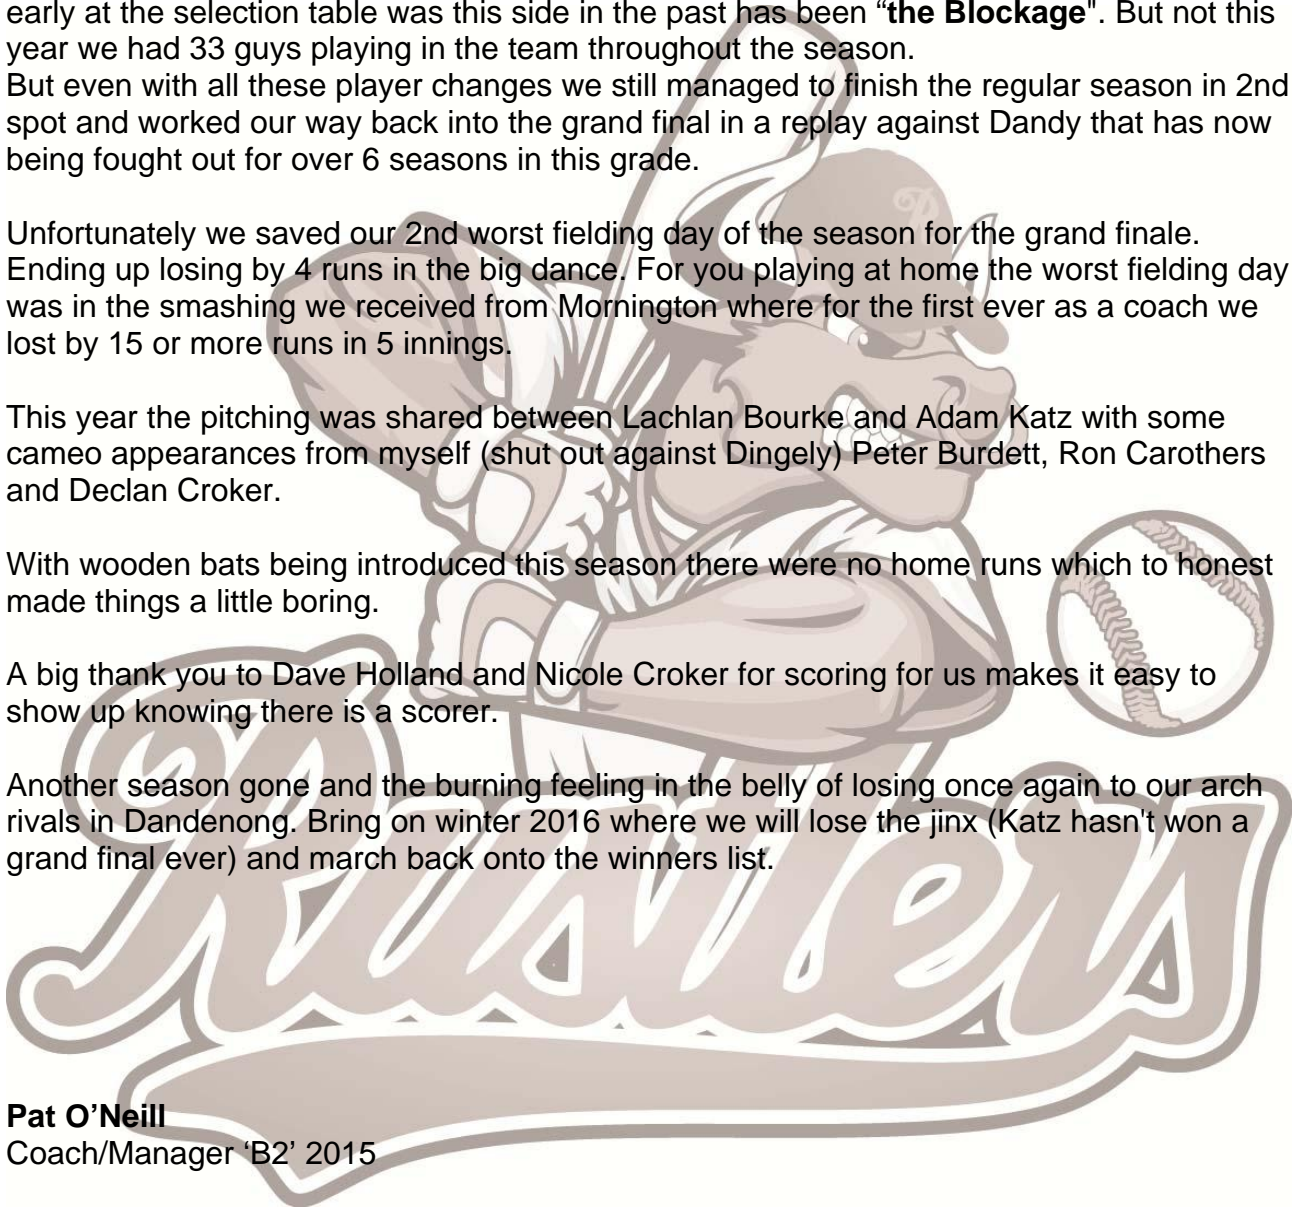

This year the pitching was shared between Lachlan Bourke and Adam Katz with some cameo appearances from myself (shut out against Dingely) Peter Burdett, Ron Carothers and Declan Croker.

With wooden bats being introduced this season there were no home runs which to honest made things a little boring.

A big thank you to Dave Holland and Nicole Croker for scoring for us makes it easy to show up knowing there is a scorer.

Another season gone and the burning feeling in the belly of losing once again to our arch rivals in Dandenong. Bring on winter 2016 where we will lose the jinx (Katz hasn't won a grand final ever) and march back onto the winners list.

C.B.C Winter Season 2015

'C2' Report

Finalists

With the start of any new season comes the hopes and dreams that we can win a championship, and although it is the 5th and predominately we are not here to collect pennants, it's still a nice target to aspire to.

Towards the end of summer, we started the recruiting campaign to see how many players we could muster up from within the junior parents group which is a great opportunity to play baseball together, but also has the downside of having to rush from the morning junior's games to various distant venues for a Noon start.

At the conclusion of the home and away season, we have finished with a record of 11-5 and find ourselves sitting in 3rd place and hosting a tough Boneo outfit in a knock out semi-final. Hopefully by the time you get to read this, we have won the next 3 straight and achieved the first year of a dynasty!!

We welcomed a number of new players to their first taste of winter baseball in Jo Campbell, David Steere, Tom Senior, Marc Goldman, Nick Thomas and Che Aston. We welcomed back some familiar faces in Jack Ogilvie & Mark Lewis.

Jack Ogilvie was a blessing from the start throwing thunderbolts and blanking the two teams he threw against such that I was advised by certain members of the DBA that he shouldn't be playing in the C2's. Well we had Jack on loan from the higher teams so that he could play a few games with his younger brother Thomas. Sometimes plans don't quite work out and they only suited up together once, before we had a bye and Jack moved up the grades.

The encouraging sign was that there were a number of junior players that suited up week in week out for the C2's in Thomas Ogilvie and then those who played for us when they could in Austin Rosenthal, Darcy Trewarn, Fraser Hiddlestone, Jake Harrowell, Luke Ashen, Ryan Crooks and Shelby McKeown.

Overall the C2's had 27 different players throughout the season and each player contributed in some way or another to the success we have seen throughout the season.

The biggest shout out must go to Darren Hiddlestone, who was our main pitcher and pitched in all but 3 games but for most of the season, he was the only pitcher we used.

Being the C2's where not too many players actually attend training our biggest downfall was the number of errors we committed in defence. This not only allowed opposition runners on base, but it also meant Darren had to throw significantly more pitches to retire sides. It seemed like if we made errors, we made a few in a row. Having said that we had a number of errorless games, and those games we won.

C.B.C Winter Season 2015

There was only 1 game for the season where our bats were outgunned and that was against Boneo. We lost that game 18-8 in a game where I have never seen so many opposition hits find gaps.

Offensively, we smashed it recording 161 hits for the season. That is an average 10.7 hits per game. Our team batting average was a respectable .395 with an on base percentage of .485. So nearly every 2nd plate appearance resulted in a base being taken. Of the 161 hits, there was only 1 home run hit (Mark Lewis), 2 triples (Lewy and Russ Ashen), 28 Doubles (led by Darren H with 8, Lewy 6 & Johnno \$0, which means there were 130 singles hits. We really showed how easy it is to hit an outfield single.

We had 20 of our batters hit by pitches. No guessing who registered 25% of those. Yes, John, you got plunked 5 times. We also had 57 strikeouts for the season with the most struck out batter beingNick Thomas on 8. Keep watching the ball and don't try to hit it too hard.

There are some people I would like to thank for their assistance throughout the season. Firstly, Michelle Ogilvie who wandered down to watch Jack play for us at Boneo and ended up scoring for the season. I must also thank our awesome chairman of selectors for allowing me to have some top quality players. You rock Dude!!! ☺ To Katrina and all the canteen helpers. Thank you for being there each and every week, rain hail or shine. Johnno for getting grounds ready, Ant & Johnno for making sure the Bar was open after games.

Good luck to all teams in the finals & hopefully by presentation night we have a few flags flying in the rooms.

Go Rustlers!!

Nominations are -:

Johnson Family:

- Committee Members
- Katrina – Treasurer/ Canteen specialist
- Johnno – General Gopher and all rounder
- Jade – All round helper

The Johnson Family, well what can you say, 'what would we do without them?' Again, for another season, the club runs reasonably smoothly with all the work done by these 3 people. Jobs done are too numerous to mention; only they know how much work it takes to run a club the size of Cheltenham. So, to the 3 of you, the committee appreciates your passion and dedication for all the jobs you do around the club, and hopes to see you back again in season 2016.

Nicole Crocker

- Junior Coordinator 3rd year running
- Coordinated New Logo Merchandise
- Kitchen Hand @ Training Nights
- Scorer

Nicole has been around the club now for some time. She always has a smile on her face no matter how much stress given by parent's and coach's and is forever giving up her time to do the little things that need doing in the Junior and of recent the Senior sections of the club. She has been scoring now for some years and chose to do both Juniors U15 and Seniors B1/B2 at times when asked. Her enthusiasm with the New Logo Merchandise was outstanding and as you all know the orders were made and delivered on time without fuss. The 2015 committee appreciates the exceptional job/s you have done this year and can only hope that you return in 2016 to these same commitments.

The Winter Committee only had 2 nominations for this award in 2015 they were voted on by the committee and -

JUNIOR CO-ORDINATORS **REPORT**

It was another fantastic season of winter baseball, with outstanding efforts made by all players and they were well supported by fabulous coaches. We took on those chilly mornings and played hard with many teams making finals. The teams that did not still did Rustlers and the game of baseball proud. Thanks to all the parents and extended family that brought their kids along to all those home and away games and to those who helped with the scoring and work around the diamonds. Without the support and help of parents and members around the club there would be no club. Thanks to all the coaches who dedicated there time and knowledge to the kids, you are all amazing for what you do. Enjoy the warmer weather and go Rustlers.

‘U17’s Report

It was a tough season for the Winter U17's. We struggled each week to put 9 players on the diamond with injuries, illness and holidays all playing a part. The team didn't let this compromise the way they went about playing on game day. It opened opportunities for players to play in different positions and learn more about the game.

Matt Stenhouse & Cruz Leech took on the majority of the pitching duties with Michael Moore and Gianni Caruso used in relief. Our pitchers did a fantastic job getting quality outs and keeping us in the game all season, pounding the strike zone and most of the time with a missing outfielder.

Matt Stenhouse was a standout on the mound throwing 21 innings for 16 hits, 36 K's and an ERA of 2.86

Team batting struggled throughout the season with Matt Stenhouse (.484) Lucas Anderson (.444) and Gianni Caruso (.296) our top three standout hitters for the season.

Michael Moore was the standout in the outfield and controlled the area all year tracking down everything that came his way.

Season Highlights

Round 9 – Beating undefeated Dingley Blue 6-5 who would go on to win the premiership
Defeating Dandenong both times during the season
Matt Stenhouse hits for the cycle @ Dandenong Rd 11

Season.....not such a Highlight

Round 6 vs Essendon - Matt Stenhouse gets ejected from the game in the 2nd innings for wearing metal cleats....."I told you Matthew". Cheltenham lose 10 - 9

A big thank you to all the players who filled in from the U/15 team throughout the year when we were short. Well done to Tom Ogilvie who played above his grade for majority of the season and did a great job.

Thanks to Lucas Anderson for playing in the second half of the season. The team learnt a lot by the way you play the game and how you go about your baseball.

To the off field team David Holland and David Stenhouse thank you for everything this season. Both amazing at what you do and made the season very enjoyable.

Thank you to Pauline Stenhouse for all the coffees, croissants and scoring when David was unavailable.

'U15' White Report

The Under 15 Cheltenham White Team had a tough season, with 5 Wins and 9 Losses meaning we didn't quite make it to the Finals.

We had a great bunch of boys who got on well and learnt to play as a team. Although our U15 Squad was split into two teams, the boys always trained together, showing great club spirit and this came in handy when there was a requirement to assist the Blue team in filling in when sickness, etc meant they were short. Each of the boys showed improvement week after week. Their skills at bat, running bases, attacking the ball, and encouraging their teammates, shining through in each of them.

Our enthusiastic supporters of family and friends did an amazing job cheering on the team each week. Thank you all for braving some cold mornings and sitting on the sidelines, the team appreciates it.

Thanks to the many hands that helped in getting our games up and running at Home, setting and packing up diamonds, assisting with warm ups, writing match reports and of course the seemingly most unenviable task of scoring. We truly appreciate all the work you've both done.

To our boys who have put in hard for season 2015, it's been a joy to watch you come together as a team and develop your individual skills and we wish you all the best in the future.

'U15' Blue Report

Grand Finalists

The U15 Blue Team displayed character, discipline and determination all season long as they finished in first place with a 12-0 record. Every regular starter in the team hit over .300 which is a remarkable result. We had six of the starting nine players hitting over .500!!

The categories that we worked hard on this season was hitting, pitching and defense in that order, so we could be competitive and achieve the results we needed to be successful. We did exactly that. The hitting was led by a few players who made a big impact in driving in runs. Shelby Roberts, Darcy Trewarn, Declan Croker and Mack Turley all produced runs with their hits which was so important in establishing early leads. Also contributed heavily with big hits when we needed it was Ben Fierenzi and Luke Ashen.

Our pitching was solid right through with Declan starting most games and getting admirable help from Dante Caruso, Ben, Darcy and Cameron Zimmerman. Kosuke Yunoki was our "go to" man when things were really tight and we needed some closure. Kosi delivered consistently on the mound every time! Thank you Kosi!

The defense was superb, only giving up on average one run per game!!! Cameron fielded sensationally at third base as well as filling in at the catcher's position with Luke when Mack needed a rest. Jake Harrowell performed well at second base during the season.

A big part of our success was the depth that we had at this age group. We utilized a few players from the White Team when we were short for game day and they performed very well.

Keiran Moran, Keely Mckeon and Fraser Hiddlestone all contributed to the success of the Blue Team and the attitude you portrayed at training and in the games was outstanding! Thank you boys!

A big thank you to the parents this season for your support and getting the boys to training. Thank you to all the scorers – Nicole, Amanda, Sara, Gavin, Barb and Kelly. My apologies for the ending to the final but not to take away the boys triumphant efforts the whole season. We all know who the winners were on the day.

Let's now direct our focus on the upcoming Summer League which will challenge our boys even further at the next level of their development with some very tough competition where our boys will have to work harder to be competitive at the Under 16 level.

‘U13’ White Report

This year I coached the Under 13 White team with the assistance of Mark Campbell. The Whites were a great team this season due mostly to the fact that it consisted of a great group of kids who were keen to listen, learn and improve in all aspects of the game of baseball. A large help to our team was the input of our Mariners players; Ben, Josh and Rhys. These three made my life a lot easier by assuming the role of the leadership group, often running warm ups and assisting the more inexperienced players when Mark and I had our hands full.

On the field we were competitive finishing third and we did so whilst generally making sure every player had a go in every position, particularly pitching. The Whites had a good mix of strengths, a good dose of spirit and a lot of support for each other and I'm sure this made it a great season for all involved.

I really hope that all our players will continue with baseball in the future because they can all go on to bigger and better things. Each player put in and extended themselves throughout the season and they all did it with a smile on their face. I thank them for that. I'd also like to thank the parents, who were all prepared to get out in stupidly cold conditions and help with set up and even scoring. Special thanks also to Gordon Tribe, Mark Lewis, Steve Earle, Sam and Val for extra assistance with everything required to get a team on the field.

'U13' Blue Report

Premiers

The team was made up of the following:

Genevieve Beacom – Showed highly dominant performance through the season on the hill, proving to be solid in other areas of the field, including first base.

Hanami Campitelli – Confidence and determination has emerged to make her a pitcher which demands respect on the hill. Showing outstanding qualities in the batter's box, hitting the ball hard.

Ben Porter - The quite achiever but in the batting box his hits ensured you noticed him. Reliable to get on base and force in the middle of our lineup.

Blake Holding- Performed at an elite level throughout the season, controlling short stop and undertaking numerous pitching duties throughout our season.

Fallon Renisch – Initially timid and unsure of the game. However his attitude and improvement was notable. By the end of the season he was a solid at bat. Proving to have a positive future in the game.

Ryan Langworthy – Determination and competitiveness has seen Ryan become a pivotal player. He got behind the plate this season and showed improvement at every game.

James Radford - New to the game and always ready to have a go. Quick legs and his bat made him an asset in the batting line up. Showing traits of leadership in center field all season.

Rocco Angelone – Defensively solid, playing both left field and third base. Also producing important at bats, when they were needed most.

Jack Octigan – Played mostly infield with an occasional stint on the mound and did an awesome job. A solid team player who motivates others and is always willing to sacrifice his own personal achievements for the team.

Jarrold Newell – Very new to the game but showed promising characteristics in both the field and in the box.

Nic Volpe - Played predominantly as our main catcher in the first half of the season and then at second base.

Sean Dunne – All round player, fulfilling duties at third base and behind the plate. Always energized and ready to play hard.

C.B.C Winter Season 2015

The Winter season is over and what a successful one it's been. Congratulations to you all for winning the U13 Premiership 2015

We ended up with 14 wins, 1 Loss and on top of the ladder, it was a terrific season.

Our team was a mix of talent, some had never played before, some were new to winter competition and others had been playing for a number of years. The group worked well and encouraged and supported one another. The grand final was an amazing and a fitting last game for the season. The entire team worked together. They fought their way back after being down by seven in the first innings. One run at a time they pushed themselves closer to Boneo's score, and no way better to end the game than with a walk off hit by Blake holding to get James Radford over the plate for the win.

The determination, competitiveness, and never say die attitude evident in this group of kids is admirable and something to be proud of, particularly after only playing together for one season. Team work and bonding were key factors in their success.

Now that the final game has been played for the year I couldn't possibly end without saying thank you to Val Langworthy, who not only was an amazing assistant coach throughout the season, but made the decision to reorganize her Queensland family holiday to ensure both Ryan and herself were present at the Grand Final.

A truly amazing baseball family. Many thanks also to John Carlile for stepping up and covering coaching duties for the Grand Final

It's been an honor and a privilege to be associated with a group of kids who love the game so much and have such talent.

Special thanks to Stu "Did he go? I don't know!" Holding for umpiring our games.

Thank you to our wonderful scorers Ron Volpe, Steve Campitelli and Helen Dunne who shared the duties as needed. Thank you to all parents who helped with training, set up, ground maintenance, and all your support.
