1988-89**

CHELTENHAM SUMMER SEASON REPRESENTATIVES

<u>PRESIDENT</u>	-	GRAEME AINSCOUGH
<u>VICE PRESIDENT</u>	-	GRAHAM LEWIS
<u>HON. TREASURER</u>	-	MAUREEN PHILLIPS
<u>HON. SECRETARY</u>	-	TREVOR MARTIN
<u>COMMITTEE</u>	-	GLENNIS HARRIS (Tee Ball, Social Committee)
		TERESE CONNOR (Senior Scorer, Social Committee)
		MICHAEL TREVORAH (Junior Co-ordinator)
		ANDREW CONNOR (Social Chairman)
		JOHN FERGUSON (Board Secretary)

SENIOR COACHES

JOHN FERGUSON	-	Club Coach, First Nine Coach
KEVIN WILLIAMS	-	Second Nine Coach
JOHN CARLILE	-	Third Nine Coach
BRUCE FITZGERALD	-	Division 3 Team Coach
GEOFFREY CALVERT	-	Fitness Coach

JUNIOR COACHES

GREG BROWN	-	Under 18's
CHRIS REECE	-	Under 16's
MICHAEL TREVORAH	-	Under 14's (All Stars)
ANDREW CONNOR	-	Under 14's
GEOFFREY DRUCE	-	Under 14's
MICHAEL TREVORAH	-	Under 12's
NOEL PETTIT	-	Under 12's
DAVE COPPENS	-	Tee Ball (All Stars)
BRAD LARK	-	Tee Ball (All Stars)

SENIOR SCORERS

TERESE CONNOR, LISA HARRIS, VAL BAILEY, VICKI BURDETT

SOCIAL COMMITTEE

GRACE STEWART (Canteen), ANDREW CONNOR, TERESE CONNOR, LISA HARRIS
GLENNIS HARRIS, JOY LEWIS, GRAHAM LEWIS, VAL BAILEY, TONY BAILEY

PRESIDENT'S REPORT

Summer Season 1988/89 can be classed as one of sound achievement for all concerned particularly as our First and Second Nines gained valuable experience contesting finals for the first time in some 5 years. Special congratulations to our Second Nine for reaching the Grand Final and the efforts, although unfortunately unsuccessful, of our young players in that game.

A special word of thanks and appreciation is extended to all members of the Committee for their support and untiring efforts.

Secretary - Trevor Martin was a most welcome return to this important position as well as assuming a role on the Kingston Heath Sports Club Development Committee.

Treasurer - Maureen Phillips continued to handle this most important activity in a most efficient manner and under difficult circumstances during the deteriorating illness of her husband, Leo. In addition, she continued the role of Bingo Supervisor which is also gratefully acknowledged.

Junior Chairperson - The excellent work of Michael Trevorah in organising all aspects of Junior activities is most appreciated as is his efforts and success with coaching of Under 12's. The Club is proud of its State Under 12 success and the success of its representative Tee Ball Team in the Lightning Premiership. This augers well for the Club in the future.

Social activities - Andrew Connor (Chairman), Graham and Joy Lewis, Glennis and Lisa Harris and Tony and Val Bailey and Terese Connor successfully organised a variety of social activities in our modern facilities and set the scene for developing fund-raising for the future.

Tee Ball - These activities were taken over by Joy Lewis and Val Bailey and with an enthusiastic group of young Team Managers and helpers the season proved highly successful. Thanks go to Stephen Lewis, Mark Lewis, Tony and Frank Dinnie, Noel Pettit, David Coppens, Michael Trevorah and Brad Lark.

Canteen - We are all indebted to Grace Stewart for an outstanding job in organising and running the canteen and providing an excellent service and fund-raising activity for the Club. Thank you to all those ladies who assisted in manning the canteen throughout the season. Grace has announced her retirement from this activity and from all members of the Committee and Club Members go our good wishes and thanks for a job well done over the years.

Coaches (Senior) - Undoubtedly this season has seen just rewards go to our Club Coach, John Ferguson as finally we provided him with a group of players to do justice to his talents. John was well supported by Kevin Williams and Bert Calvert with assistance from Greg Brown and Laurie Hall, Michael Trevorah, Bruce Fitzgerald and John Carlile assisting with Third and Fourth Nines.

Maintenance - A special word of appreciation to Frank Dinnie and Terry Anderson who attended a variety of jobs behind the scenes in maintaining our pitching machines, batting tunnel and moveable batting cage.

Bingo - Maureen Phillips, Alan Burdett, Grace Stewart, Terese Connor, Lyn Robertson, Heather Martin, Jane Coleridge and Sue Druce all provided valuable assistance prior to our switch to other permanent helpers.

Greg Brown - There is no question that a large degree of success by our First and Second Nines must go to our latest U.S. "import" in Greg Brown. As you may not be aware, Greg was recommended to us by Seumas Soltysik, following his return home to Amherst, Massachusetts and we are grateful for Seumas' assistance. Greg won some 10 games in our First Nine as well as 8 wins in our Second Nine to provide a sound basis for our success throughout 1988/89, despite a set back in the first game against Williamstown the eventual Premiers. We look forward to Greg's return in 1989/90.

Congratulations to Glen Allan and Darren Smith on their selection to Representative V.B.A. Team to U.S.A. in June, 1989, also Chris Smith for selection in V.B.A. Under 14 Team.

Family Support - I would be remiss if I did not acknowledge the support that all members of the Committee receive from their families and/or husband/wife and for this we are all grateful.

Acknowledgements - Sponsors - S & A Cabinets (Tony and Val Bailey)
Security locks for the canteen and
Honour Boards to be erected
- Parburys (John Coghlan)
For provision of \$5,000.00 value of new
benchtops in kitchen.

Batting Tunnel - One of our major achievements during 1988/89 was the erection of a Batting Tunnel and this major addition cost the Club some \$8,500.00 shared by both Summer and Winter Committees and has not been achieved without some financial pressures. However, the hardships have had their rewards by the heavy usage of the new facility and the definite improvements in our overall batting.

The future - Although 1988/89 has been a most rewarding season we must not become complacent. If we are to achieve Division I status there is still a great deal of on field improvement necessary.

Players must realise that a dedicated approach is necessary along with hard work in the gym and batting tunnel and a positive attitude in games to achieve individual and team goals for the Club to progress.

GRAEME AINSCOUGH

PRESIDENT

COACHES REPORT 1988/89

Overall the Club had the best year on the field for 7 years. The improvement in playing performance continued at all levels and the 4 senior sides were filled with the minimum of effort. Competition for places in the teams resulted in good turn outs for practices and was a major factor in the Club's marked improvement.

The Club and I were extremely fortunate to have the services of a very experienced group of senior coaches and players to lead and assist the younger members and they certainly made my job much easier than in previous seasons. In particular my thanks to Bert Calvert, Kevin Williams, Gary Hicks and Laurie Hall for their help with the Firsts and Seconds as well as Bruce Fitzgerald, John Carlile, Mick Trevorah and Kevin Russell for their help with the Thirds and Fourths.

The Club benefited greatly from the skills and experience of our second International player - Greg Brown. Greg's pitching in both the Firsts and the Seconds provided the Club with 19 wins, 1 save and only 4 losses and clearly justified the emphasis placed by the Committee on the importance of the man in the middle.

The benefits of the batting tunnel were also very evident with much improved performances at the plate (Firsts averaged 10 hits per game) and in the format of practice. I am sure that as our young players gain their adult strength and continue to improve their work habits, most of our offensive concerns will disappear.

The emphasis on improving upper body strength must have a high priority and the excellent conditioning and flexibility programme set down by Bert Calvert this season needs to continue next season.

High priority must also be given to ensuring the Club's players participate in the coaching accreditation courses run by the VBA. These courses broaden a players knowledge of the game and introduce the important sports science and medicine component into the coaching and development of individuals. I strongly recommend that all Coaches and players on our senior list make the time available to attend these courses over the next 12 months.

Priority must also be given to more individual coaching of our elite players to ensure they achieve their full potential.

My congratulations go to Michael Trevorah and his Team on their outstanding job of winning the State Pee Wee title.

My congratulations also go to David Coppens and Brad Lark and their TEE BALL team for winning the first State Tee Ball title.

Thanks to Graeme Ainscough, Trevor Martin and their Committee for their complete support throughout the season.

JOHN FERGUSON

CLUB COACH

FIRST NINE REPORT

PLAYERS

L. Bailey	G. Brown	P. Burdett	A. Connor
M. Diamond	M. Dinnie	A. Dinnie	J. Ferguson
L. Hall	G. Hicks	L. Harris	S. Lewis
A. Porreca	M. Phillips	C. Reece	M. Stewart
J. Stewart	D. Smith	J. Shapiro	M. Tossavainen
C. Upfill	K. Williams		

Scorer: Terese Connor

Manager: John Ferguson

Assistant Manager: Bert Calvert

Played: 30

Won: 18

Drawn: 1

Runs For: 215

Runs Against: 159

The Team finished third behind Williamstown and Doncaster after giving a good account of ourselves in the finals. We lost narrowly to Williamstown in the first semi final, defeated Bonbeach comfortably in the elimination final but then lost again to Williamstown in the preliminary final.

The following comparison at the end of the home and away games clearly shows how much the team has improved over the last three seasons:

	Won	Drawn	Runs For	Runs Against
1988/89	17	1	215	159
1987/88	11	2	190	198
1986/87	6	1	181	220

The reasons for this improvement lay in a number of areas.

Greg Brown did an excellent job on the mound pitching 116 innings (1,807 pitches and 82 strikeouts) while holding the opposition to 108 hits and giving up only 31 earned runs for an ERA of 2.4. Greg's 10:4 record included 3 losses to Williamstown in spite of a top class effort in the first semi. Congratulations go to Greg for winning the Club Champion Award.

Dean Connor provided good support with 97 innings, only 97 hits and 29 earned runs for an ERA of 2.6 and a 5:4 record. Dean also lead the Club in hitting with a .357 average from 33 hits.

Andy Connor had his best season with the Club winning his first Golden Glove Award by catching 196 innings with only 3 errors and 8 passballs. Andy also lead the team with 31 RBI's from 31 hits and a batting average of .355.

Gary Hicks provided the clean up power the Club has lacked for some time with 35 hits for 26 RBI's and a slugging average of .470. Gary also filled in very ably behind the mask for 61 innings (only 5 stolen bases) and also won a game as a pitcher.

Laurie Hall again turned in his usual consistent season to lead the team with hits 39 and 19 stolen bases.

Kevin Williams came back from premature retirement to play very solid first base and provide the on-field leadership needed to stabilise the infield and the top end of the batting line up.

Lee Bailey hit .442 with 23 hits from only 67 appearances and was also a major contributor even though he lost half the season due to a broken hand.

The season also saw many new faces in the side on a regular basis - Alex Porreca proved to be more than a useful utility player, Mark Diamond played solid third base and showed a lot of aggression at the plate, Chris Reece added much needed speed to the outfield and on the base paths and Matty Stewart and Steve Lewis both showed that they are serious contenders for regular places in the side.

I am also very proud to record that the team was remarkable in its ability to fight back from behind, especially with 2 out and late in the game. This spirit and determination was in keeping with the best tradition of our Club and will be a vital ingredient in our continued push towards a place in the First Division.

My special thanks to Terese Connor our Scorer and Statistian for another top class effort.

JOHN FERGUSON

COACH

Assistant Manager: Bert Calvert

The Division 2 Reserves had an excellent year in making the grand final only to be defeated by Doncaster who were a very experienced team in comparison. The highlight of the year being the defeat of Upwey in the Preliminary Final, with an excellent team performance both in defence, with outstanding pitching performances by Steve Babidge and Greg Brown, solid defence from the infield, and top team batting performance with contributions from all hitters.

Throughout the season the team's strength was its defence where our pitching held most opposition teams to very low scores. This staff consisted of Greg Brown, Mark Diamond, Dac Connor and later in the year carried for the most part by Johnny Stevenson and Steve Babidge. Jamie Stewart gave a solid and stable performance behind the mask and was justly awarded our Most Valuable Player award. Our other main defensive strength was our infield where Johnny Stevenson and Tony Dinnie took care of short stop and second base and were more than capable in these difficult positions with major improvement from Tony as the season progressed.

It must be pointed out that no team can make Grand Finals without being capable of batting when in crucial situations. This is demonstrated by the fact that the team, on five occasions entered our last batting inning behind or level and, were able to win on four occasions and draw on the other. In some instances this was achieved from two down and nobody on. This was a substantial contributor to our second place finish after the home and away season. I am sure that many other teams in the same position may not have even made the finals. Our leading hitter was Leon Harris who was consistent all year. Leon's hitting is easily first nine standard and if the defensive side of his game was tidied up would surely be a contender for first nine baseball.

As for our grand final performance we were a little unlucky to lose John Ferguson whose defensive work at third base was excellent, Matty Stewart and Johnny Stevenson. However it did give opportunity for youngster Darren Smith who played an excellent game at short stop and Marco Tossavainen who played third base, both players may otherwise not have started. In the long run this experience may prove invaluable for the future. Doncaster in the long run proved too strong winning 8-3.

A little tighter in defence in the early stages and one or two hits at the right time may well have turned the game our way seeing there was only two runs in it at the top of seven.

Congratulations to all the players on a pretty good season, it was a good season made easy by the efforts of our scorer Lisa Harris and first base coach, Bert Calvert. I would like to thank both of them for their outstanding efforts.

KEVIN WILLIAMS

At the completion of the season the Thirds finished fifth on the ladder with 10 wins and 8 loses.

Though the Team did not make the finals, the players can look with pride at their performances during the year. We proved ourselves more than capable in mixing it with the best and in fact defeated the eventual premiers "Croydon" in our only confrontation.

This however means that we lacked consistency and this problem must be addressed if the Team is to improve. A greater committment on the training track and an improvement in concentration to the game should solve this problem. The rewards of such action would be at least a finals berth and maybe more.

The Team developed throughout the season and benefited from the time, patience and understanding of John Ferguson, "Bert" Calvert, Mick Trevorah, the Members of the Committee and the parents and supporters.

In closing I would like to thank all 23 players that played with me during the year and commend your spirit and endeavour.

BRUCE FITZGERALD

Dean Smith	S. Scotland	Craig Reece	

Scorer: Val Bailey
Manager: John Carlile

After an indifferent start to the season because of lack of team consistency and direction, the Division 2 Thirds side lifted only losing 2 games from December until the end of the season. With a bit of luck, a finals appearance was within sight.

The performance of all players was excellent, with their attitude and concentration improving each game. The turn-around in performance is easily seen from the results of the Upwey games. In the first round we were beaten 34 to 13 and in the return game we were beaten 7 to 1.

The team commitment was exemplary and the attitude of players such as Chris Bailey in accepting the Coach's judgement and continuing to encourage the team was notable.

I would also like to thank Mrs. Val Vailey for being my Scorer throughout the year and acknowledge the support I received from the Committee and Selection Panel during the season.

I wish all players the best in the future and encourage them to work hard on their skills and attitude towards baseball and I am sure Cheltenham Baseball Club will benefit from your effort.

JUNIOR REPORT

The season unfolded with high expectation after the Victorian Baseball Association (Junior League) announced several changes to the format. The changes included an extra under age group (U12's) and a competition composed of even age limits (U14's, U16's, U18's). The Club initially opted for 7 Junior sides comprising one Under 18, 2 Under 16's, 2 Under 14's and 2 Under 12's. This combination enabled the Club to fulfill the criteria of qualifying for Division One status when the opportunity arose. It was with deep regret that one Under 16 side was withdrawn at late notice inconveniencing not only the Association but the Coach and Manager of that particular side. Just as important is the disappointment of losing players and parents who have grown to be a part of the Club; all steps must be taken to lure these people back to the Club (the responsibility belongs to us all).

The Under 18's with our non-national player Greg Brown at the helm, acquitted themselves admirably. However, the team, whilst having its share of wins, found the top teams awesome to compete with. My spies tell me that had the complete list of Under 18's in the Club been available, we would have been competitive at the business end of the season. Many thanks to Graham Lewis as Manager and chauffeur and John McHarry as pusher of the poison pen. We wish all those who have served their "Apprenticeship" success at Senior level.

The Under 16's ably led by Chris Reece with John Ferguson (initially) led off the early part of the season registering cricket score wins. While the team was able to participate in the finals, indifferent performances in the second half of the season saw them finish in the lower part of the four. Although beaten in the semi's by the eventual State U'16 winners Waverley, it is a personal belief that we have a side than can, and will, be competitive on any given day. Thanks go to the organisers of the side in particular Chris Reece for his truly helpful input to Junior baseball at our Club. It is also fitting to announce to the Club the "Retirement" of Craig Reece who, with his parents Jill and Lin, have moved interstate. Your efforts have been appreciated and Bon Voyage.

The Under 14 sides which played at the Oakleigh Centre were coached by Geoffrey Druce and Andrew Connor respectively. As predicted by the experts the sides finished one two on the ladder at the conclusion of the preliminary rounds. Sadly, an all Cheltenham Grand Final was not to be with Andy's side going down to Oakleigh by a couple of runs in the big one. In hindsight, accolades should be given to the Selection Panel for considering the balance of the teams instead of displaying the selfishness of some clubs who stack sides and cheat the system. Once again thanks to the Manager, Scorers and parental support for all your assistance.

The Under 12 sides played at Sandringham with Noel Pettit and Michael Trevorah leading from the front. Noel's side comprising mostly boys first year out of Tee Ball acquitted themselves admirably with the Coach experimenting with the boys in various placements and gave them the chance to secure a future in a given position. The team was not judged on ladder position but on its ability to handle a new and different situation. Ten out of ten guys.

The Steers a team comprised of seasoned players, enjoyed a remarkably successful season. They achieved the rare feat of being undefeated in the preliminary rounds and were able to maintain their good form to defeat both Moorabbin sides for sectional Premiers. The nucleus of a successful side exists and given time to develop and show dedication much can be achieved in later years. My thanks to the right hand man of the side Pete Smith, Scorer Joy Lewis, those who have helped conduct practices and not the least of all the dedication of loyal supporters. Thankyou very much.

It is at this point I would like to congratulate Chris Smith on achieving State Representation and I know that he will acquit himself well and represent the Club with the highest distinction.

The combined Under 12's side playing in a weekly knock out competition achieved the ultimate, "STATE PREMIERS". In certainly what was regarded as an emotional day, Cheltenham defeated Waverley 12 - 7 and this highlights that the Club is on course to be more competitive. The foresight of the hierarchy in seasons gone by must be complimented. Congratulations boys, you have achieved an everlasting memory but don't let it stop there.

The Tee Ball competition ably conducted by joint manageresses Val Bailey and Joy Lewis enjoyed an extremely successful, and hoped to be repeated, year. Carrying on from the good work of Glennis Harris the girls presented Saturday mornings as a family day outing. With teams "cared" for by Junior players and parents the season started out with more players than past years and this helped to promote the Saturday "Family Reunion" atmosphere. In a battle of the titons Grand Final, the Pirates and Saints slugged it out in trying conditions into extra innings with the latter under professional Tee Ball Coach David Coppins, leading at the end of the game. Thanks to all who helped run Tee Ball, in particular Steve Lewis and the parents support.

In what undoubtedly has been the most successful year the Cheltenham Club has ever achieved in Junior competition a Tee Ball composition side won State Honours in a round robin competition held at Upwey. They defeated Essendon, Coburg, Bonbeach and Waverley in the Grand Final. Head coaches David Coppins and Brad Lark must be applauded for representing the Club so successfully the first time out. The win once again highlights the foresight of Maureen Phillips and Co., in making "our" Club very progressive several years ago.

A job well done team and I hope your transition to Baseball gives you as much enjoyment as that which you gave the people who journeyed to Upwey on that memorable day.

Whilst the Club has enjoyed team success, personal achievements have also been obtained. Not only did Chris Smith represent Victoria at Under 13 level but Glen Allan and Darren Smith, who currently play in the Under 16's gained selection in a development squad to the U.S.A. in June. These two boys have been rewarded for their dedicated attitude towards Baseball and I not only hope it is a rewarding trip but other players within our Club have the same opportunity.

A sincere well done guys.

In conclusion I would like to congratulate all award winners, wish all those climbing to the next age bracket success, and to all those at Administraton level, in particular Sue Druce (Registration), thanks for a memorable season.

Cheltenham is well and truly on the map.
