# President's Report

The Club has had a very successful year both on and off the field.

## On field Performance

On field performances this season have been very impressive, The Summer Club won the Division 2 Premiership and will return to play Division 1 in the 2019-20 season.

[Type here]

[Type here]

The Club also won the Division 2 Club Championship with strong performances across the board from all senior teams. This is only the fourth time the Club has won this award

The performance of Jessie Remington to win the BV League MVP Award was an outstanding achievement. To the best of our knowledge this is only the seventh time in over 100 years of competition that a member of our Club has won the League MVP Award.

Our Women's played finals and were amongst the best offensive teams in their competition. The State Under 18 team played off in the Grand Final losing to Waverly.

Congratulations also to all our players who made representative teams.

### **Committee**

On behalf of the Club I would like to thank your Summer Committee for their efforts and commitment in making this Summer Season a success.

Brad Lark (Vice President), Denise Healy (Secretary), Judy Williams (Treasurer ) – Michelle Ogilvie, Al Gribbin, John Ferguson, Kath Daniels, Joe Caruso, Russell Ferguson, Michael Rizzi, Andrea Cormick, Damon Pettit, Matt Turley.

### **Most Inclusive Club Award**

The Club was also awarded the prestigious BV Award for the Most Inclusive Club for our efforts to promote and develop baseball in the State.

[Type here]

[Type here]

## Main Field Lighting

Stage 1 of the lighting project was completed and the Club has the diamond lit up to competition standards for Social Baseball and Little league games. The formal opening with a “Lights On” ceremony was a huge success and the culmination of many years of effort by the Club. The Lights were financed by a grant from the State Government through the Kingston Council. The Club contributed \$29,000.

## Sponsorship

Our sponsors continue to support all areas of the Club. Without this ongoing and very substantial support of our sponsors we would not be able to continue with the development of our infrastructure projects and our development programs.

- Bentleigh RSL
- Platinum Post Tensioning and our other sponsors
- Terry White Chemmart,
- Inner Melbourne Landscapes,
- A1 Building Group,
- Urban Gardeners,
- Bunnings Mentone

On behalf of the Club I sincerely thank all our sponsors for their support.

[Type here]

[Type here]

## **Administration**

The Club has successfully moved to a financial year ending the 31 March 2019 and the Club is in a sound financial position. The timeliness of reporting has been improved and ongoing visibility of the overall financial position across the whole of the Club is much improved. The introduction of the Square point of sale system is substantially reducing the amount of cash handled. The financial processes and systems have been improved to further strengthen visibility and reporting and importantly to reduce the workload of the Treasurer.

Summer and Winter Committees are working closely together with the BOM which has assumed responsibility for the financial reporting of the operation of the Canteen and the Bar.

## **Concluding Comments**

The Club is well positioned and structured to capitalise on the opportunities that will be presented with the lights.

A big thank you to Bryan Kloppe our Club Coach, his coaching staff and to all of our other coaches at all the levels. Congratulations on a job very well done.

Consolidating our position in Division 1 and Increasing participation must be the major priorities for the coming year.

Also, a big thankyou to all members of the Club our players and their families who have assisted and supported me so well over the past 12 months.

John Fairweather  
**Summer President**

## CLUB COACH'S REPORT

The 2018-19 season for the Rustlers brought home a club championship along with Division 2 minor and major premierships for the club.

The firsts began with a focused effort to create an amazing culture at the club and instilled "The 16 goals to bring continued success." Each of these goals were emphasized by one of the senior players at each training. The guys lived out these words and came together like never before.

The season started out on an unbelievable 19 game winning streak and finished by only losing one series out of 11 played and securing a 26-3 record.

On the field they were led by the BV league MVP: Pitcher- Jesse Remington.

Coach Bryan Kloppe brought Jesse out from previous experience with his teams in the US and he was brilliant tossing 106 innings for a 2.12 ERA and earning 13 wins and a grand final shutout. Jack Enciondo backed him up by throwing complete game shutout in the grand final series.

The "Rustlers" logo in a stylized blue script font with a white outline and a blue shadow.

[Type here]

[Type here]

Andrew Campbell logged 33 innings for a 1.64 ERA and provided invaluable support to our starters. An astounding 18 total players made an appearance on the mound for the season.

Offensively the club was led by Andrew Gribbin who also made a strong case for BV League MVP batting .480 with a .559 on base percentage. Andrew shared the Club MVP with Jessie Remington

*Rustlers*

[Type here]

[Type here]

The team hit .324 as a whole with 25 players getting at bats in the firsts.

*Rustlers*

[Type here]

[Type here]

Jackson Hunkin and Conor Myles both hit over .400 and Sam Michael led the way with 38 hits. Ben Fierenzi, Michael Leslie, Kane Davidson and Dylan Trevorah were mainstays in the Firsts with youngsters Mack Turley and Dante Caruso making an impact as well. All of these great performances were big thanks to coaches Matt Gourlay and Lawrie Hall.

The season concluded the way that you dream of with a huge champagne celebration at the club rooms back at Farm Road. Going down to division two was a great way for the guys to learn how to play together and win and they look forward to continued success in Division 1.

**Bryan Kloppe**  
**Club Coach and Manager First Nine**

## THIRDS and FOURTHS REPORTS- MANAGER DANON PETTIT

After coaching two teams last season and making it quite clear that I was having a break from coaching this year, I ended up taking on another two teams. It was a great opportunity to be part of a talented group of players and a key team in the development of Cheltenham.

## THIRDS REPORT

*Rustlers*

[Type here]

[Type here]

We were fortunate to have long time senior pitcher and strong hitter Jack Ogilvie playing in the side and doing most of the pitching along with the experience and leadership of pitcher/batter Gus Marr

We were blessed with plenty of both senior and junior pitchers throughout the season. Also taking on the pitching duties were all round utility and big hitter Luke Ashen, left hander Rhys Fairweather, first baseman and power hitter Tom Ogilvie, best team player Joshua Tribe and infielder and shut out pitcher Ben Sexton.

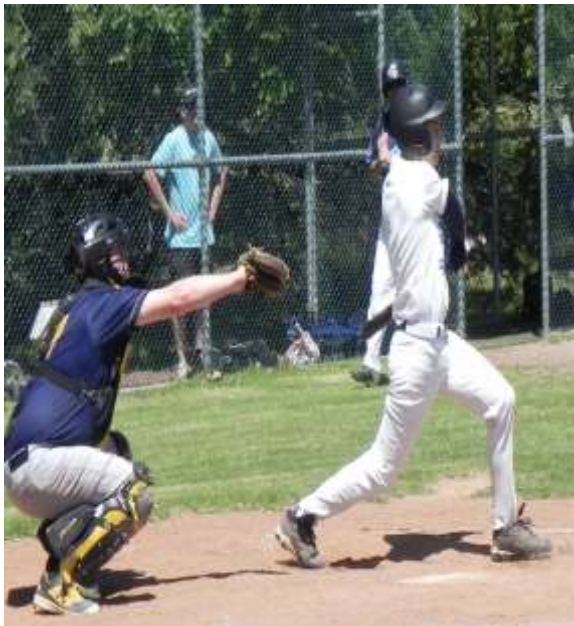

*Rustlers*

[Type here]

[Type here]

We also had no shortage of catchers with Michael Hill, Shelby McKeown, Tom Seddon and Kellan Hill to sit behind the dish and also play around the ground. Making up the Thirds side were utilities Frank Collins, Sean Dunne who also did some pitching and infielder/outfielder Max Phillips.

*Rustlers*

[Type here]

[Type here]

It was a great opportunity to step up beyond my comfort zone and manage the Thirds team. We set our sights on making the final four and we achieved that, going down to the top team in the semi-final.

Thank you to our umpires Michael Phillips, Col Upfill, Brad Heenan and Darren Hiddlestone.

Thanks to our scorers Michael Phillips and Craig Sexton. Special thanks to Brad Lark for coaching during the scheduling clash and the semi-final.

### THIRDS AWARDS

**MVP:** Jack Ogilvie

**Batting:** Luke Ashen .467

**Best Team Player:** Joshua Tribe

[Type here]

[Type here]

## FOURTHS. REPORT

With lower player numbers this season we fielded just the four teams which meant previous season fifths players moved up to the Fourths. As the club played in Division 2 this year it made for some great competition for our guys and we were definitely looking to play some finals at this level.

Stepping up and returning this season were Peter Allen, Tony Kouchakdjian, Michael Phillips, Glenn Sanders, David Steere and previous fourths player – top slugger Rhys Gray.

Taking on most of the pitching duties were all round talent Daniel McLean and last season fill-in Brad Earle.

The Rustlers logo, featuring the word "Rustlers" in a stylized, cursive font with a blue outline and a shadow effect.

[Type here]

[Type here]

*Rustlers*

[Type here]

[Type here]

We added a couple of players from Winter's Mordi Ducks in power hitters Eddie Meadows and Paul Dunham along with Chelt veteran David Johnson to play a few games. This year's rookies were Blake Dunkley and Darcy Messenger with Kellan Hill playing between the Thirds and Fourths as required and taking on the catching duties during finals.

It was great to manage a team which was part of the club's main four sides. We ended the season in the top four making the Grand Final but losing to a strong Williamstown team.

*Rustlers*

[Type here]

[Type here]

Thank you to our umpires Steve Earle, John Fairweather, Luke Ashen and Brent Dunkley.  
Thanks to our scorers Steve Hill, Jackie & Clancy Phillips.

Special thanks to Bryan Kloppe for his support over the season and for his help with selections.

#### **FOURTHS AWARDS**

**MVP:** Daniel McLean

**Slugging Percentage:** Rhys Gray 1.125

**Best Team Player:** Brad Earle

[Type here]

[Type here]

## WOMENS DIV 3 REPORT

What a season, 4<sup>th</sup> place finish after the regular season, leading to our 1<sup>st</sup> Finals campaign!

After having 2 teams last season, injuries, retirements and other commitments saw us with 12 players in the squad giving us 1 team this season

*Rustlers*

[Type here]

[Type here]

## TEAM

Barb Dooley, Brittany Melbourne, Carolyn (Caz) Allen, Delia Robey, Denise Healy, Karen Witchell, Mardi Radford, Michelle Ogilvie, Pia Dunkley, Sam Finney, Sue Leslie, Tara Lian

*Rustlers*

[Type here]

[Type here]

*Rustlers*

[Type here]

[Type here]

But even with 12 we were still short on numbers some weeks, so fortunately we were able to call upon past players, friends and relatives to enable us to field a full team each week. Thank you to Deb Ghulliani, Jess Jensen, Laura Spence, Narelle Gosstray, Rachel Ogilvie and Teresa Yong for their much appreciated cameo appearances.

Without doubt the Women's Team is now permanent entity in the Club line up and is set for many competitive, successful seasons to come. Not only has the Women's Team proven

*Rustlers*

[Type here]

[Type here]

that it can be successful on the diamond, even more importantly is the value of the team to the Club off the diamond, with the tireless effort of the Women proving extremely important in all fundraising, committee and social events.

Settling in quickly, we had a great mix of players and hit the ground running this season, holding our own most weeks. Our final results provided 11 wins from the 16 Rounds (with all 16 games played). These results completely reflected our finishing position with us beating every team below us on the ladder, but unfortunately none of the teams finishing above us on the ladder. 4<sup>th</sup> place meant that we were in the finals and even though the team bus was full with excitement and expectation, unfortunately our first finals game was also going to prove to be our last for the season with us going down to the eventual premiers.

Some impressive stats include:

- Every Player batted over .200, 9 Players batted over .300, 5 Players batted over .400, 2 Players batted over .500 and 1 Player batted over .600
- The team Scored 200 Runs for the season, averaging just under 13 runs per game
- The team's Fielding Percentage for the Season was .876, meaning that 87.6% of the time we had an opportunity to get an out we did.
- We had one player who played all 16 games of the season.

Thanks to Damon Pettit for his great work as our First Base Coach; to Brad Heenan for his assistance as co-pilot in the team bus and his help on game day; to Michelle Ogilvie for keeping us coordinated; and to Russ Ashen and Ferg for helping out with training sessions.

Last but by no means least, a very special mention and a huge thanks must go to Peter Leslie who not only was our scoring Master, but assisted with setting up the diamond most (if not all weeks). His great work in the scorer's box enables us to extract the stats (listed above) that demonstrate the terrific work by the team.

To the team directly;

"Week in and week out the enthusiasm and commitment shown by all of you has been unwavering and your ability to support and encourage each other at all times, has made it a pleasure to be associated with you. Thank you for the friendly banter and allowing me to guide you each week (well at least letting me think I was) and trusting my driving ability, whilst tolerating the requirement to stop frequently on the trips home, especially on the

[Type here]

[Type here]

weeks where I was drinking 4 litres of water a day! I will miss each and every one of you and I wish you all the very best for future seasons, on and off the diamond. Ant”

**Antony Harrowell**  
**MANAGER**

**MVP:** Delia Robey  
**Batting:** Delia Robey .611

**Best Team Player:** Sue Leslie

*Rustlers*

[Type here]

[Type here]

## **MASTERS REPORT (THE OLDER WE GET - THE BETTER WE WERE!)**

**Played 16   Won 11   Lost 5   Drew 1   Winning Percentage   71.9%**

A Top Four finish for the fourth successive year before losing to a stronger and much younger Bonbeach Red in the Semi Final.

The team consistently produced entertaining baseball based around outstanding starting pitching and intelligent offence.

### **PITCHING**

The “Big Train” Lance Blackley (7 W) and “Big Dog” Russ Ashen (3.5 W) started most of the games and generally out smarted the opposition batters with their command of location and a broad assortment of junk that kept the opposition batters off balance. Both were assisted by a strong and versatile outfield defence, Lefty Gomez, the great Yankee pitcher when asked “What is your greatest asset as a pitcher, Lefty replied “Fast outfielders” This was certainly true this season.

[Type here]

[Type here]

Rookie Southpaw, Joe Caruso was brought up from our farm system for a critical game late in the season to pitch 2 shutout innings to keep the team's bid for a place in the finals alive.

Gus Marr picked up an important late season win and Darren Hiddleston and continued to provide effective short relief.

## DEFENCE

Center fielder Adam, Tony Kouchadjian and the Dunkley brothers Heath and Brent ran down everything hit their way. Heath again showed on several occasions that he has the best arm in the competition as he cut down several overly optimistic base runners with throws seldom seen at Masters level.

Behind the plate youngster Damon Pettit was very solid and the "Energiser Bunny" David Johnson filled in whenever and where ever necessary.

The loss of Joey "Super Glue" Tucker at short stop mid -season to a severe leg injury could have destabilized the infield. Joey's crucial outs and regular double plays were missed however outfielder Heath Dunkley was pressed into service to fill the critical short stop position and Heath did more than an adequate job until relieved by Gus Marr late in the season.

Former junior players with the Club, Rookies Steve and Peter Flaski returned and settled in quickly to hold down first base and both provided timely extra base hits in clutch situations. "Mr Utility", Rod Hind had another good year at the plate and he provided great defense both in the infield and outfield. Rod also displayed hidden talent in a surprise and effective appearance on the mound.

## OFFENCE

The team's major strength continued to be it's batting and our hitters consistently pressured the opposition pitchers by waiting to get a good pitch to hit.

Of the regulars with over 20 At Bats; eight players over BA.300.. Joey Tucker BA.347 (8 Hits), Darren Hiddelstone BA.343 (16 hits), Adam Leech BA .477 (21 Hits), David Johnson BA .3654 (11 Hits) Russell Ashen BA .364 (12hits) Tony Kouchakdjian BA.424 (4 Hits) Rod Hind BA.323 (11 Hits) Peter Flaski BA .467 (14 Hits).

Gus Marr BA .267 (4 Hits) and Lance Blackley BA. 555 (6 Hits) Brent Dunkley BA .230 (6 Hits) Damon Pettit BA .280 (7 Hits) also made timely contributions at the plate.

[Type here]

[Type here]

Evergreen slugger Adam Leech pounded the baseball all season to record leading 21 hits and batted **BA .477** to win the **Batting Award**

*Rustlers*

[Type here]

[Type here]

## **BENCH**

The Bench was filled out by Gil Guevara, David Steer and Michael Phillips who each made some valuable contributions from limited opportunities and Gil in particular always kept the team loose with his hustle and enthusiasm as he continues to chase his first base hit.

## **MVP AWARD**

The overall depth of the team was borne out by the fact that eight different players were judged Best On Ground at least once during the season and 15 players received votes.

Lance Blackley and Russell Ashen shared the MVP Award with each recording **18 Votes**.

## **THANK YOU**

My thanks to my **Assistant Coaches Brent Dunkley and Rod Hind** who could always be relied upon to provide direct advice and valuable insights regarding the many opportunities and situations that arose over the course of the season.

Thanks also to our **Scorer: Blake Dunkley**.

A big part of the success of Masters Baseball is the postgame meals and once again **Katrina and Jade Johnson** set a high standard in the feeding of the multitudes at our home games.

[Type here]

[Type here]

Our Masters players are great ambassadors for our Club, they consistently brought whatever they have left to the games, played hard and well usually found a way to win. Again it was a privilege to manage the team, thank you all for your support.

**John Ferguson**  
**MANAGER**

### **MASTERS AWARDS**

**MVP:** Lance Blackley 7 wins BA .555

**MVP:** Russell Ashen 3.5 Wins BA .364

**Batting:** Adam Leech .477

### **MASTERS CARNIVAL BALLARAT - MARCH 2019**

### **2019 RUNNERS UP 45+**

Playing for the third time in the Ballarat Masters Carnival, the Rustlers finished Runners Up to the Tomatoes in the 45+ Grand Final.

The Rustlers logo, featuring the word "Rustlers" in a stylized, cursive blue font with a white outline and a blue shadow.

[Type here]

[Type here]

There were 8 teams in the 45+ group Teams divided into 2 Pools and the winner of each Pool played off in the Final. There were some games across the Pools. Cheltenham finished 3W-1L after the Pool rounds. The Grand Final was the last game in a Sunday Triple header.

### **GAME 1 Win 11-2 v Fitzroy**

The "Big Dog", Russell Ashen dominated on the mound and with the bat. Russell pitched 4 innings for 4 hits and a single walk and batted in 5 runs from 2 hits including a double with bases loaded.

**Hits:** Tony Kouchakdjian 4, David Johnson 2, Dean Connor 2, Russell Ashen 2, Greg Hondromatdis 1, Darren Hiddlestone 1, Gus Marr 1, Brent Dunkley 1

### **GAME 2 Loss 4-20 v Pandas**

Greg Hondromatdis started on the mound but ran into immediate trouble with 6 successive hits resulting in 5 runs. Cheltenham came back with 3 runs in their first 2 times at the plate and some aggressive base running but were then blown away by the powerful Pandas as relief pitchers Joe Caruso and Rod Hind could not contain the flow of runs as the Pandas amassed 20 hits.

**Hits:** Tony Kouchakdjian 1, David Johnson, 1 Darren Hiddlestone 1, Greg Hondromatdis 1, Dean Connor 1, Gus Mar 1, Heath Dunkley 1,

### **GAME 3 Win 12-2 v Bendigo Dragons**

Pitching on one day's rest, the Big Dog was back on the mound for 4 innings giving up only 8 scattered hits with no bases on balls. Dean Connor and Heath Dunkley lead a tight defence and 5 players recorded multiple hit games

**Hits:** Tony Kouchakdjian 1, Joe Caruso 1, David Johnson 2, Darren Hiddlestone 2, Dean Connor 2, Russell Ashen 2, Gus Marr 1, Heath Dunkley 2, Rod Hind 1, John Carlile 1

### **GAME 4 Win 10-5 v Cods**

Veteran John Carlile was enticed onto the mound for the first time in 10 years and produced a blinder in his comeback performance limiting the Cods to 5 hits over his four innings pitching to Tony Kouchakdjian behind the plate.

**Hits:** Tony Kouchakdjian 1, Joe Caruso 1, Dean Connor 1, Gus Marr 1, David Johnson 1

[Type here]

[Type here]

### **Grand Final Loss 0-10 Tomatoes**

Cheltenham batted first and Tony Kouchakdjian lead off with a single to left, David Johnson followed with single. Darren Hiddlestone's line drive was snared by shortstop and a hard ground ball to the left side was turned into a double play to end what had looked like a promising start and a chance to establish some scoreboard pressure.

Starter Darren Hiddlestone was hitting his spots but the Tomatoe's hitters consistently found space and steadily added to their tally. The Big Dog returned to the mound and his unique assortment of pitches and command of the strike zone produced 5 consecutive outs that temporarily stemmed the flow of runs assisted by some brilliant outfield work by Heath Dunkley.

**Hits:** Tony Kouchakdjian 1, David Johnson 1, Gus Marr 2,

### **CONCLUSION**

The Masters Carnival was again a great success both from an overall and particularly from a team point of view. As a team the Rustlers batted .427, led by Dean Connor (BA:600), and Russell Ashen (BA: .545), Gus Marr (BA.545) David Johnson ( BA. 538), Tony Kouchakdjian (BA.500) were outstanding at the plate.

Although he was hitless in the Final the Dig Dog still managed an overwhelming presence in the batter box that left a lasting impression on those around the plate. More importantly the team performed well, had fun and was competitive to the point of denying a couple of the more favoured teams a place in the Final.

Thanks to Al Gribbin for his support as the Executive Officer, part time Scorer and Social Director and to Gus Marr and Heath Dunkley for organising the Saturday night BBQ. Thanks also to scorers Dillon Hind and Brent Dunkley who took on the job after a knee injury in the second game forced him out of the line-up.

**John Ferguson**  
**MANAGER**

The Rustlers logo, featuring the word "Rustlers" in a stylized, cursive font with a blue outline and a shadow effect.

## THANK YOUS

**Parents and Family** who support our players as active members of the Club. The Club is very conscious that the travel challenges and time constraints must place a heavy load on the life of the family and your assistance, patience and support is very much appreciated.

**Coaches, Team Managers, Scorers.** To put it simply – without your support as volunteers the Club could not function.

**Kingston City Council** provides the sporting infrastructure and maintenance of the facilities that we use and continues work very closely with the Club.

**Kingston Heath Sports Club** is the entity that runs the Ron Brownlees Pavilion. Baseball and Hockey share the responsibility for the joint management of the facilities and dealing with the KCC. The efforts of our Club members involved as members of the KSC are much appreciated.

**Club Umpires.** Parents , Past Players and particularly those players who make time to umpire our junior games.

**Committee.** Without an active and engaged committee the Club could not operate successfully. Your time and expertise is very much appreciated.

## INDIVIDUALS

**Brad Heenan:** Brad is probably the first person to say that he's not a "committee guy", he always pitches in when things just need to get done. He doesn't wait to be asked, he just turns up and helps where needed: junior teams, women's team, umpiring, setting up grounds, BBQ, music and bar duties – you name it and he's there.

**Connie Upfill:** Connie's knowledge, energy and positive attitude is always welcomed. The Club would be considerably poorer without her dedication to sponsorship and fundraisers. Her assistance with the Canteen and in running the Bunnings BBQ are recent examples of her ongoing contribution to the Club

**Kathy Daniels:** for committee and tireless work in stocking and running the canteen.

[Type here]

[Type here]

Revenue from the Canteen is our primary source of funds after player subscriptions.

**Damon Pettit:** When a job needs to be done, Damo is never far away. This season, he coached not just one team, but two: The 3rds and 4ths. This is on top of his other committee duties such as Equipment Manager and manager for match balls, the website and Team App.

**Michelle Ogilvie:** Michelle is an unsung hero of this Club. After 10 years as a junior coordinator, Michelle is retiring from that role. She was instrumental in establishing the women's teams and has been the team co-ordinator for three years. As a committee member, Michelle assists in organising the trivia night and other events, organises trophies – just to name a few.

**Josie Hill:** Josie is a committee member and has provided invaluable assistance to the Club's most significant project – the installation of the lights. In addition, Josie was the under 16's coordinator and has

played a key role in the organisation of our key events.

**John Ferguson:** For his tireless commitment. John represents everything that is good about the Rustlers, he's generous with his time and always generous with his advice and mentorship. He has been instrumental in establishing Kingston Heath as the regional centre for Schools Baseball and Softball.

**Bryan Kloppe:** Restructured and re-energised the Club Coaching Operation. Securing the Club a Grand Final win for the firsts will see us back in Division One – which is a major achievement.

**Dunkley Family** – Brent, Pia, Blake and Zac. Coaching scoring, umpiring, social events – the Dunkley's are never far away. Pia was a junior coordinator and played a key role in welcoming new families to the Club and ensuring they were welcomed with her friendly and kind manner.

**Kane Davidson:** He provided invaluable backup to Bryan and worked closely with Matt Gourlay. He also played a critical function of junior player transition and preparation.

**Joe Caruso:** For a "Dad" to take on the role of Chair of Selectors is a big ask. He did a fantastic job in building bridges between the on field and off field expectations. More than useful lefty pitcher in the Masters.

[Type here]

[Type here]

**Denise Healy:** Took on the demanding role of secretary and brought clarity to the role and managed admin challenges.

**Gordon Tribe:** BBQ Man and regular attendee at any working bee.

**Judy Williams:** As Club Treasurer, Judy has a massive job and has substantially improved the Club Financials by strengthening processes and reporting to provide better and more timely visibility in to Clubs operations.

**Katrina Johnson:** Masters Meals. Not a trivial task and essential to maintaining a high Club profile.

**Russell Ferguson:** Building on field relationships and direct assistance to senior coaches, playing where required. Financial advice to Executive

**Al Gribbin:** Committee member who assisted with maintaining and setting up grounds, Match Day Music, attending BV meetings.

*Rustlers*

[Type here]

[Type here]

**Brad Lark:** Bar management. - critical operation and an ongoing vulnerability/exposure.

**Peter Leslie:** Scores Reserves, Women's, helps TBall and grounds

## CLUB AWARDS
